5. SEWER/SEPTIC/WASTEWATER SYSTEM
Special Notice: Sewer septic and wastewater systems that are not public or municipal systems are not designed to perform indefinitely and are affected by many conditions about which Seller may have no knowledge or have an ability to control. In addition, the useful life of these systems is affected by the amount and type of use, so conditions, maintenance, the inherent design of these systems and many other factors. Seller makes no warranty of representation whatsoever that these systems will operate or continue to function for any period of time. Inspection of these systems by a qualified inspector is recommended. State and local permits may be required for sewer, septic and wastewater systems.
