

Sermon Series:
Exodus - God's Great Rescue

1. Israel begins to leave Egypt. After years of bondage and the events leading up to the Exodus, what would you now believe about God as an Israelite? An Egyptian?
2. Why do you think God continues to repeat the details of the Passover? What was so significant about the the Passover?
3. During the message, Bro. Ricky said, "it is dangerous when we live forgetful of what God has done for us in Christ." Do you ever live forgetful of all Christ has done for you? How do we remember what Christ has done for us?
4. God made a clear distinction that foreigners were not able to eat the Passover. Does this seem unfair to you? Why or why not?
5. Discuss how the observance of the Jewish Passover is a picture of the new covenant observance of the Lord's Supper. What's new in the new covenant?
