God with Us; Exodus 20-40

Sermon Passage:

Chapters 20-23

Questions:

1. Why did God give His people commandments, or a "rule book," about life? Why wouldn't God let His people do whatever they wanted to do?
2. Read Psalm 40:6. In reference to the sermon, does God "have your ear?" Is your desire to live under the Lordship of God? Why have you reached this conclusion?
3. Now that God has given people His law, He now wants Israel to live in such a way that they would impact other nations for His glory. What challenges do you face living life according to God's commands in a world that doesn't follow God?
4. What effect would it have on your family, community, nation, and world if everyone who claimed to be a Christian lived under the Jesus' rule and obeyed Him?
5. "We are to treat others as God has treated us in Christ." Take a moment and think about this statement. What does this statement require of you?
