

Sermon Series: Exodus - God with Us

Sermon Passage: Exodus 30:1-10

1. God provided detailed instructions to "purify the people from their sin." Why is sin such a big deal to God? As believers, should we have conversations with non-Christian friends about their sin?
2. Only the priest could only enter into God's presence, and he could only do this under strict regulations. But, the New Testament teaches that all believers can now approach God with boldness. Why are we sometimes hesitant to approach God? As believers, can we be certain that God loves us and wants us to approach Him? Why?
3. "Jesus is praying for us." "The Holy Spirit is praying for us." What do these statements mean to you? How should these truths change how you live this week?
