

## **Sermon Series:** Blessed Assurance

### **Sermon Passage:** 1 John 2:12-27

1. Read verses 12-14. In the message 3 categories of believers are described; little children = new believers, fathers = grandparents of the faith, and young men = strong believers overcoming the evil one. Who are you? What does this passage say about who you are?

2. Read verses 15-17. What is John referring to as the “world?” Is it possible to love this “world” John refers to and love God? Discuss.

3. We are in the “last hour.” What happens to your efficiency at work or school when you are down to your final minutes to complete a task? How does this challenge you to live each day? What changes in your life if you have this mindset?
