

Sermon Series: *Growing and Going*

Sermon Passage: Ephesians 4:11-16

Discussion Questions:

1. In the sermon, Bro. Ricky use the analogy of the “cruise ship” vs. the “cargo ship.” Discuss the analogy. Do you view church as a cruise ship or a cargo ship?
2. Are you more likely to judge a ministry by the results of the ministry or by the faithfulness of the ministers? Can a minister be faithful and the ministry produce few results?
3. Read verses 15-16. Paul uses the word “grow.” What does it look like for us to “grow” as followers of Christ?
4. In verse 16, Paul says that the body can “grow so that it builds itself up in love.” According to Paul, what makes this possible?
5. What “body part” has God called you to be? What is your gift? Are you using it?
