

Sermon Series: Mark: Jesus | Our Servant King

Bible Passage: Mark 8:1-21

Discussion Questions:

1. How does Jesus feel about the large crowd? What does this tell us about Jesus? (verses 1-2)
2. Read verse 4. Considering that Jesus has already fed a large crowd with very little food, would you expect the disciples to ask this question? Why or why not?
3. Read verses 11-13. What were the Pharisees seeking from Jesus? Compare Jesus' response to the Pharisees with His response to the crowd.
4. What warning does Jesus give His disciples? Is this warning still relevant for us today? (verses 14-15)
5. Again, the disciples find themselves with no bread. How did Jesus respond to the disciples' problem? (verses 16-21)
6. What are the possible reasons that Jesus gives for their lack of understanding? (verses 17-20)
7. "Don't you understand?" Do you ever get anxious concerning aspects of your life that Jesus has already taken care of previously? Why?

Moving Forward

What is one area of your life that you need to trust Jesus with this week? Are you willing to trust Him? How will you trust Him? How can this group help you?
