

5 ways you can help Venice Family Clinic's community during the COVID-19 pandemic

1 Donate

Give to our COVID-19 response and ensure that we can provide essential services. Now as always, everyone deserves quality health care. Gifts of all sizes make a difference. Make your gift at venicefamilyclinic.org/covid19.

2 Give the gift of food to our health heroes and patients

Organize your family, business, or faith and civic community to purchase food to thank our staff who are working on the front lines and to provide food cards for our patients most in need. Sponsor meals at venicefamilyclinic.org/sponsorfood

3 Provide critical supplies for our patients

Our patients and their families need certain supplies. We are looking for donations of the following: surgical masks, cloth masks, hand sanitizer, feminine hygiene products, disinfecting wipes, grocery gift cards for Ralphs or Vons, coloring books and other school supplies, and baby supplies including diapers. There are two ways you can get these to us:

1. Shop our [Amazon Wishlist](#). (And remember to sign up for [Amazon Smile](#) so that all of your purchases support Venice Family Clinic.)
2. Mail or deliver them to Venice Family Clinic, 604 Rose Avenue, Venice, CA 90291
Attn: In-Kind Donations

Please note: if you have medical-grade personal protective equipment you'd like to donate, please contact us first.

4 Volunteer

Volunteer with us in person or remotely. We need health care providers and food distributors. We also have creative activities that you and your family can do from a distance to make a difference in our patients' lives.

Learn more about our volunteer opportunities at venicefamilyclinic.org/volunteer.

5 Become a Venice Family Clinic Ambassador

If you'd like to join us in our mission and fundraise on behalf of Venice Family Clinic, contact us for a toolkit.

Contact us with questions about any of these opportunities at
VFCgiving@mednet.ucla.edu or 310-392-9255

Thank you for standing with Venice Family Clinic to support our most vulnerable neighbors in this time of need.
