

Vertical Fabrics - Beauty & Profits

The elegance of a drapery with the practicality of a blind emerges in the **Evolution** program from **Vertilux**. This collection of fabrics for vertical blinds is bursting with fabric options and colors to meet any demanding customer's taste.

The collection includes the **widest range of sampled solar screens** for Vertical Blinds, commercial fabrics, woven decorative collections, and stitchbonded basics.

Evolution allows Vertical Blinds fabricators to promote a diverse collection to a wide audience, affordably. If you have been looking for the collection of Vertical Fabrics for your company, **Evolution** is the Vertical Fabrics Collection for all companies; it is a must. If you have been looking to add profits and sales, **Evolution** may be just what you needed.

Ask about our **Zero Scrap Program** if you are not already making fabric Verticals.
