Most of our scores are trapezoidal, but not all of them so we recommend you check this before making your online purchase. You can do this by checking the bottom of the viewer where a notes icon appears. If it is completely white just click on it and you will see the following options: Original, 1 Semitone, 2 Semitones, 3 Semitones, -1 Semitones, -2 Semitones, -3 Semitones. This means that if the composers Words and Music by GREGG ALLMAN and STEVE ALAIMO started singing in the original key of the score is C, 1 Semitone means transfer to C#. If you selected -1 Semiton to score initially in C, you will be transferred to B. If your desired notes can be transferred, you will be able to transfer them after purchase.
