*In the Greek language there is a specific tense which describes a future event that is so certain that it can be spoken of as if it has already taken place. It's called “a proleptic aorist”.*

“Though God scattered this kingdom at the tower of Babel, Satan still rules over the pieces of the once united kingdom. While God ordains human governments for the well-being of man, those same governments refuse to submit to Him or acknowledge His sovereignty. They are essentially part of Satan’s kingdom.”  
John McArthur
