

MSP Start: Boundary Crossing Teams

in support of Math and Science Excellence in Our School Systems

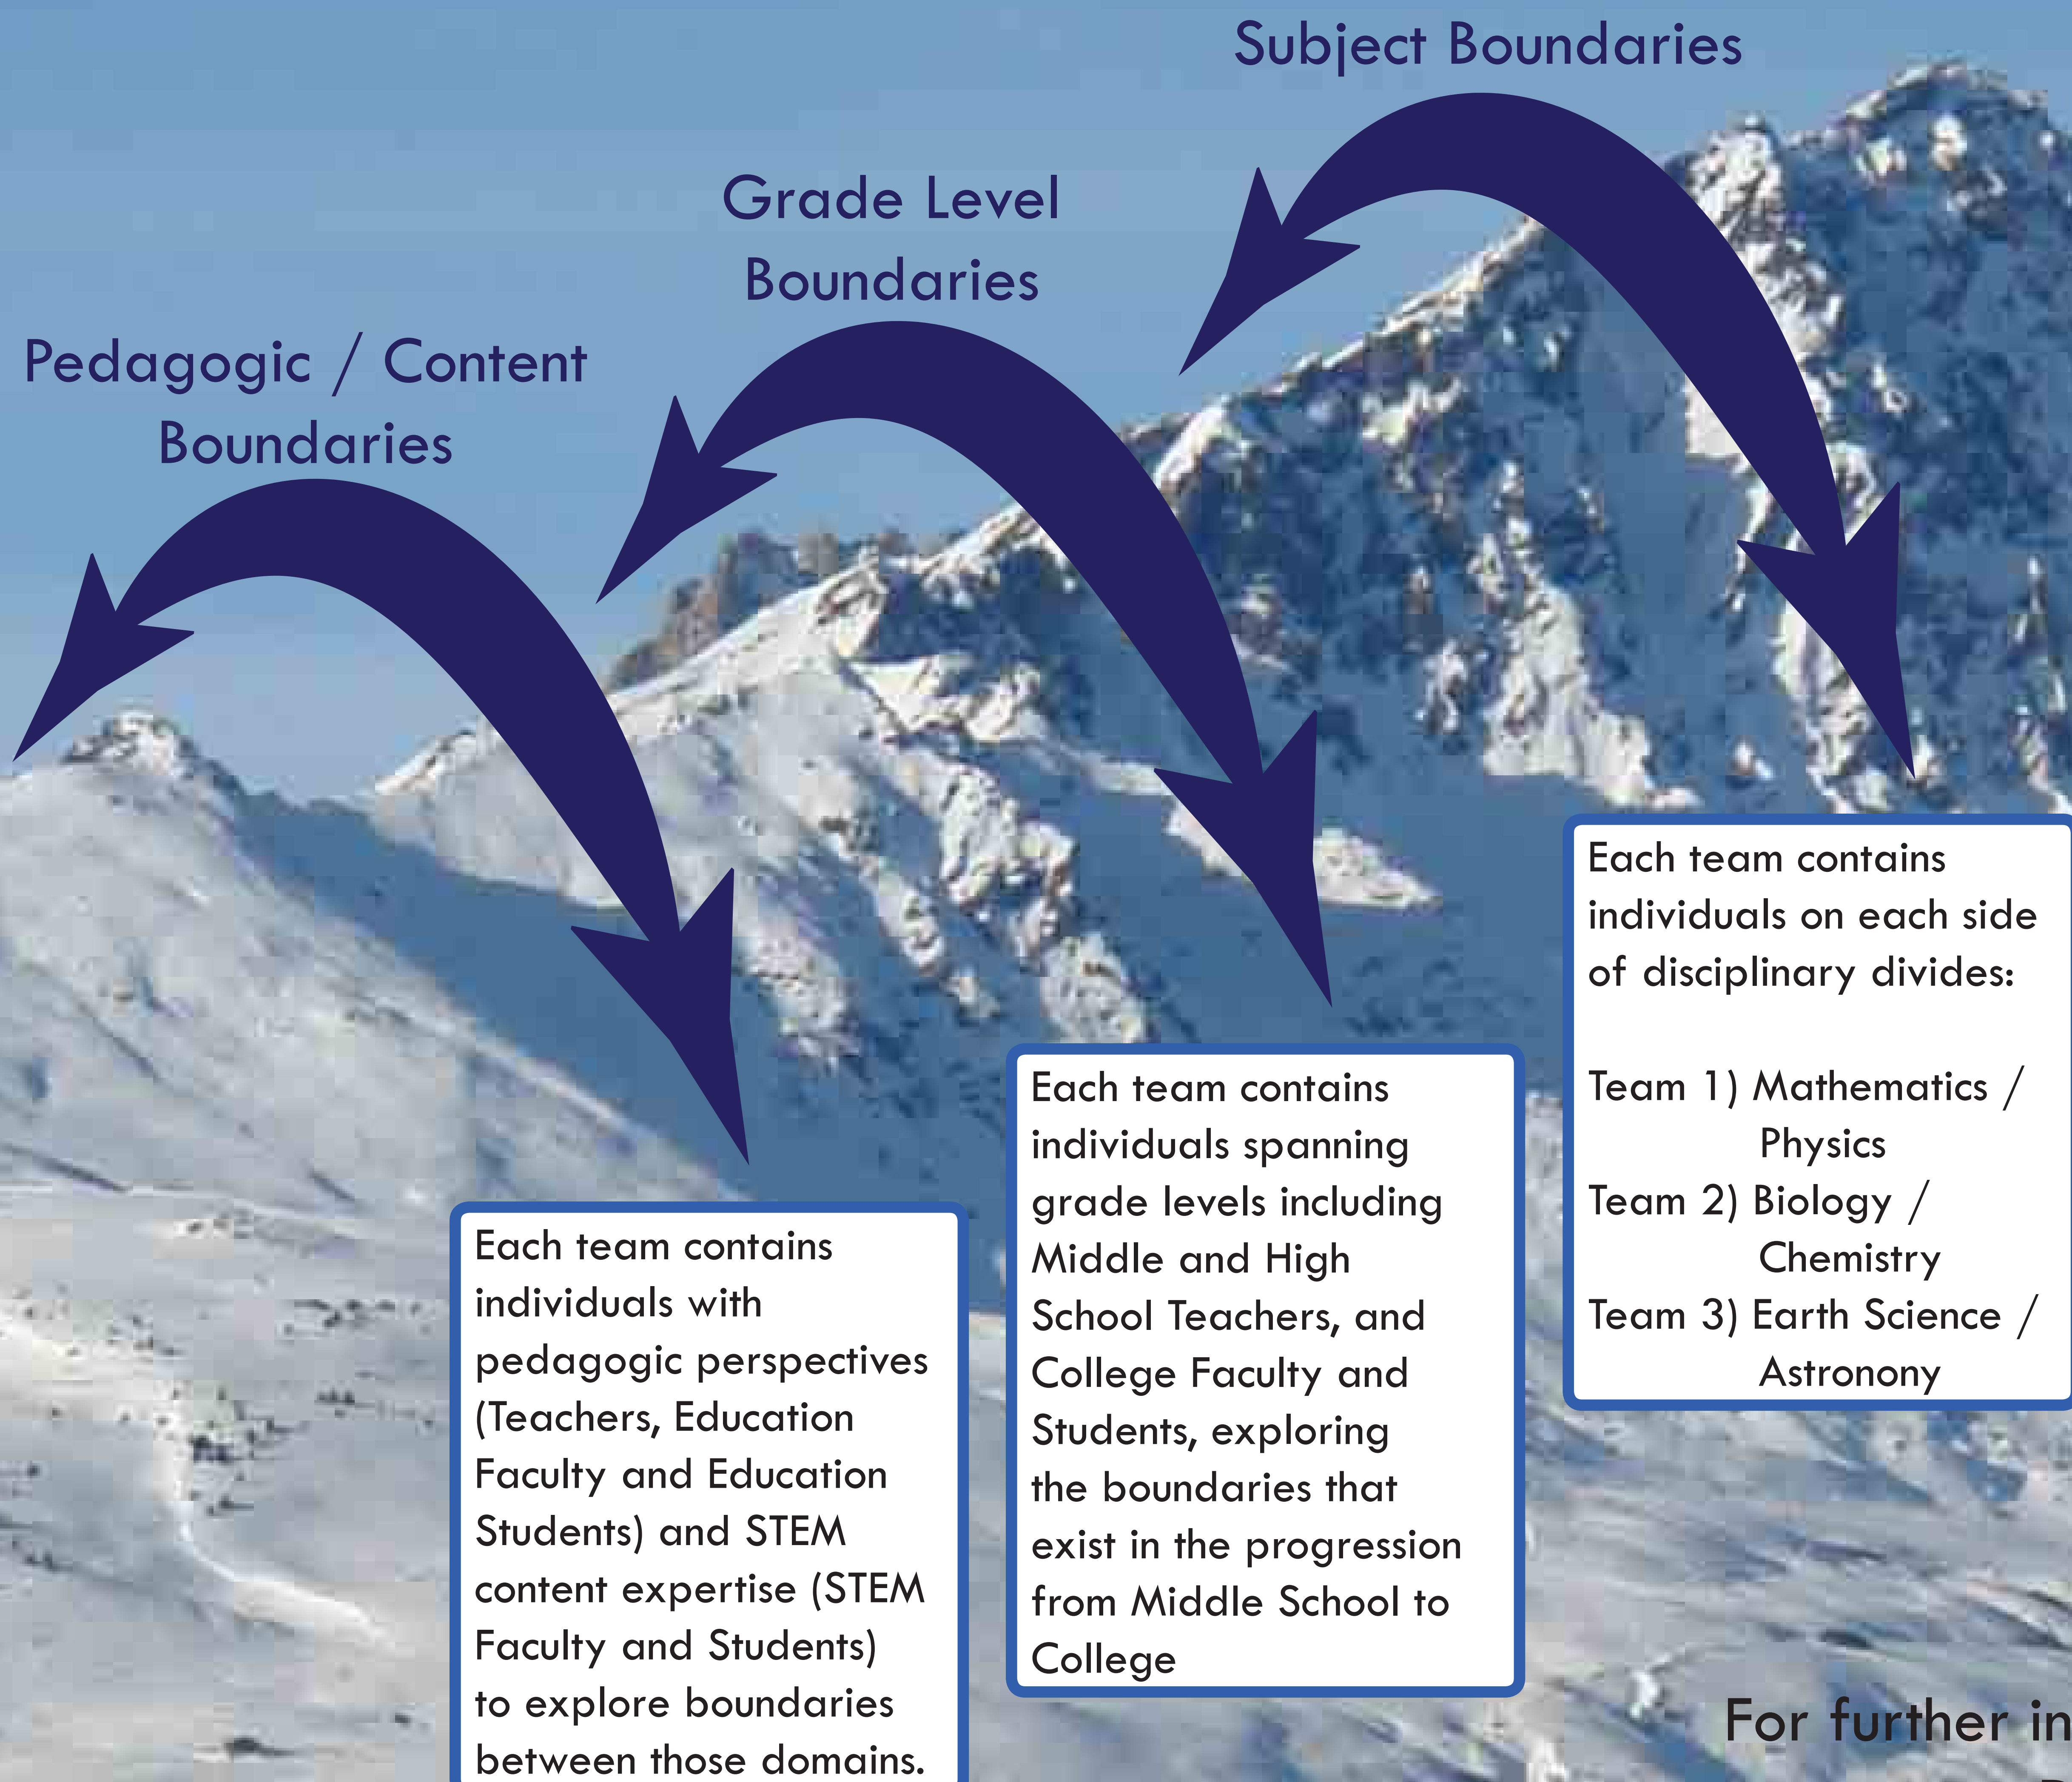

Jake Noel-Storr¹, Sophia Maggelakis¹, Stefi Baum¹, Timothy Glander², Donna Horn³

¹ Rochester Institute of Technology

² Nazareth College

³ Rush-Henrietta School District

In this new MSP Start project, 3 teams will explore boundaries in science and mathematics education as viewed by their peers, and develop strategies to overcome those boundaries in the classroom. Each team will bring together STEM Faculty, Education Faculty, Middle and High School Teachers, and STEM and Education Students.
