

Music Fused with Text Can Accelerate Reading Skill Growth by More Than 50%

Lyrics2Learn is an online reading supplement for K-5th grade students. The most effective reading improvement strategies are multi-sensory, brain-based, research proven and engaging. L2L's methodology meets all of these criteria. All literature and non-fiction texts address fluency, vocabulary, open ended constructed response paragraph writing, and all Common Core Depth of Knowledge levels.

PARCC and DIBELS Test

The evaluation involved **13,260 students in grades K-5, 986 of which were L2L participants. The evaluation focused on describing if the program improves student outcomes and teacher practices.**

- L2L students increased CMAS/PARCC scores significantly in 2016-2017 compared to non-L2L. On average L2L students scored 53 points higher at the end of the school year compared to non L2L students, and increased rate of improvement 26% to 66% dependent upon student use.
- L2L students scored 71 points higher on DIBELS Composite Scores compared to non-L2L students.

Research Conducted by [Marsico Institute for Early Learning and Literacy](#) - University of Denver: '16-17

What is Lyrics2Learn?

Lyrics2Learn hosts interactive K-5th grade reading activities proven to improve reading at a faster rate, allowing teachers to devote more time to personalized, high impact instruction. Each lesson and designed to reach every learning style and every learner, from general education to enrichment, ESL and SPED. L2L maximizes student engagement, improves skills, and can be completed in school or at home. Every lesson includes fluency practice and four levels of interactive comprehension, from literal concepts to critical thinking and constructed response.

School Benefits

- **More enjoyable reading = More practice = Results:** In a school of 200 students using L2L as directed, kids will practice fluency 1,800 times and answer over 3,000 interactive questions spanning all Depth of Knowledge Levels, every week of the school year.
- **Data reporting system:** Our system connects schools, teachers, parents and students: Results are always available and can be sent to teachers and admin every week to help focus instruction and foster growth.
- **Ease of Implementation:** Teachers can have classes set up and ready to go within 1 hour of signing in for the first time.
- **Used anytime, anywhere and on most devices:** Lyrics2Learn works on desktops, laptops, or any kind of tablet, allowing students to access lessons 24 hours a day, from any location.

Teacher Benefits

- **Teachers can free up time and offer more personalized attention to kids:** Students are engaged and working independently at their own reading level, freeing up teachers to focus personal attention where needed.
- **Fits any teaching structure:** L2L is designed to fit into one-week lesson plans. It can be used as a daily reading center, guided reading in small groups, tier II or III interventions, or whole group instruction.
- **Integrating multiple subjects:** As kids improve reading skills, teachers can assign specific lessons to simultaneously incorporate science, history, or character building into daily reading lessons.
- **Ignite self-learning:** Music fused with reading increases engagement with text, and increases results.
- **Personalized Learning:** Teachers can check use and scores, automatically require students performing below proficiency levels to retake quizzes, send personal messages, assign lessons, and print or email data to parents.
