VISUALIZING PALESTINE creates data-driven tools to advance a factual, rights-based narrative of the Palestinian-Israeli issue. Our researchers, designers, technologists, and communications specialists work in partnership with civil society actors to amplify their impact and promote justice and equality.

Launched in 2012, VP is the first portfolio of Visualizing Impact (VI) an independent, non-profit laboratory for innovation at the intersection of data science, technology, and design.
**JOB OPENING:** INFORMATION DESIGNER  
*Deadline: 10 January 2021*

---------------

**JOB DESCRIPTION**
This is a mid-level position for designers to join the Visualizing Palestine team on a part or full time basis. The designer will work with VP’s creative team on the regular day to day production of visual stories. The position involves mentorship and training by VP’s senior designer, and working closely with the production team.

**We are looking for someone who is:**
- Passionate about social justice and the Palestinian/Israeli issue in particular
- Has previous information design experience, in any medium (video, motion graphics, interactive, etc.)
- Has neat graphic design skills (layout, typography, colors, etc)
- Shows creativity in visual storytelling
- Motivated to join the team and willing to learn from their experience
- Ambitious to grow into a position of design leadership with VP
- Availability to commit on at least a part time basis starting February, with interest in committing to a full time role in the future

---------------

**ELIGIBILITY**
- To be a graduate of any art/design school
- No specific work experience required if your portfolio shows excellence in the area of information design
- Knowledge of industry standard tools: Adobe Illustrator, etc.
- Proficient in English and Arabic
- We are a remote team working from The Middle East and the East Coast in the US. Preference will be given to candidates based in Egypt, Palestine, Jordan, or Lebanon
REQUIREMENTS

• Portfolio of your most relevant work. (Max 20 pages, and not more than 10MB). If any of your projects were part of a team work, please state clearly your role in it. For larger video/audio work, please provide a working link.

• CV (one page maximum).

• Motivation letter telling us about yourself and why you want to work with VP (max one page).

Please send your application to design@visualizingimpact.org with the subject line “Name_Designer Application” no later than 10 January 2021. Successful candidates will be invited for an interview. Due to the volume of applications, we cannot guarantee that we can respond to all applicants.

COMPENSATION RANGE

This is a contractor position. Compensation will be dependent on experience, availability (part time or full time), and location. All full time contractors will receive paid holiday, vacation days, and sick days.

For any questions, send an email to design@visualizingimpact.org
