

INTRODUCING **FlexLessons**

A powerful new way to create and assign lessons.

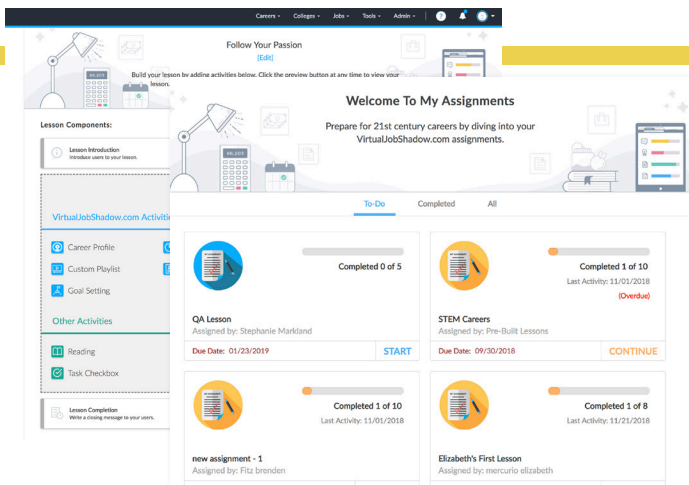

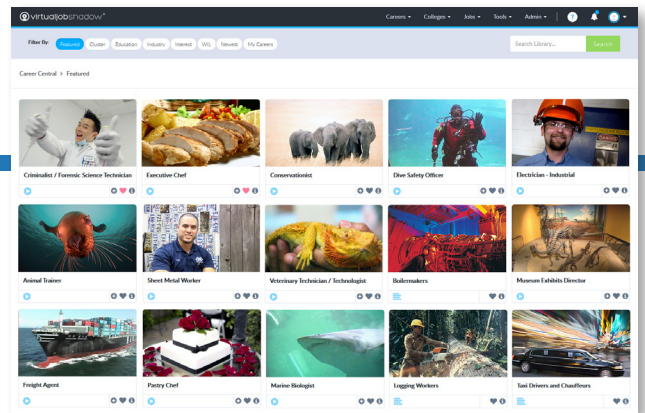

CREATE, ASSIGN, INSPIRE!

FlexLessons is VirtualJobShadow.com's powerful integrated lesson building tool. Now, you have the ability to create custom lessons right on our platform, share them with colleagues, and assign them to students or clients.

Use **FlexLessons** to:

- Guide career exploration
- Build job seeking skills
- Reinforce academic relevance
- Anything else you can dream up!

FLEX YOUR IMAGINATION

Power your learners' VirtualJobShadow.com experience with lessons that will meet any standards.

FlexLessons comes with more than 15 engaging activities, including:

- Custom Quiz Builder
- Career Assessments
- Reading & Written Response
- Videos & much, much more!

DIGITAL DELIVERY & MANAGEMENT

Assign lessons to a single student, an entire grade, or a group of clients.

Easily access reports, track completion, and grade assignments, right from your dashboard. Learners can complete their assignments anywhere, anytime, and at any pace.
