

## **88 Hot Stops on Downtown Jacksonville's Public Arts Self-Guided Tour**

Downtown Jacksonville is not just the area's urban hub, packed with businesses, commerce, restaurants and history, it is also a beautiful outdoors gallery for some of the most progressive and impactful public art pieces in the entire city. The city's core has a perfectly curated collection of modern murals, sculptures, and unique art pieces almost everywhere you look.

We invite you to explore Downtown's public art scene and learn more about the artists and themes that inspired them.
