Mission Statement

The mission of the Lee-Davis High School athletics program is to establish programs with high standards that promote education, personal growth, sportsmanship, leadership, and citizenship.

We believe that we can win!

The Lee-Davis Athletic Boosters Club believes that athletics provides hands-on, practical application for a lot of life lessons! Hard work, self-sacrifice, and perseverance are all skills that can be developed through athletics.

Those skills not only make good athletes, but also develop good employees, citizens, and community leaders.

The LDHS Athletic Boosters would like to welcome you to the 2017-2018 school year!
