

J.W. SEXTON HIGH SCHOOL ATHLETIC HALL OF FAME

102 MCPHERSON AVENUE ▶ LANSING, MI 48915

April, 2014

Dear Sexton Alumni & Friends,

For 71 years Sexton has stood as one of Lansing's premier centers for education and sports excellence. During those years the Big Reds have produced some of the best local athletes and teams in the State. To honor fellow Big Reds who have brought success to our school on and off the field of competition, a group of Sexton graduates and friends are exploring creating a "Sexton Athletic Hall of Fame". To make this effort a success I am seeking your input and monetary support.

Our goal would be to nominate individuals and teams that have gained distinction and brought honor to the Big Red legend. From State Champion teams to individuals and coaches who excelled in their sport we have much to celebrate.

All of this comes with a cost. We are asking you to be a generous donor to this long overdue "Hall of Fame". We are very proud of our school and this endeavor will help keep our school alive in the community.

Please mail in your donation in the envelope provided. Your tax deductible contribution will help make this dream come alive.

Sincerely,

A handwritten signature in cursive that reads "Dick Bates".
