

## INFORMATION FOR VISITING TEAMS

- Emergency Action Plan:
  - o Please see additional PDF.
- AED Locations:
  - o High School- Exterior Wall of Main Office
  - o HS Athletic Training Room- Portable for Event and Practice Coverage
- Taping & Treatment:
  - o Per Ohio Law, visiting athletes requiring taping must bring written authorization from their Athletic Trainer or physician stating the athlete's name, body part to be taped or treated, and any treatment or taping instructions.
  - o Visiting athletes must provide own taping supplies.
- Water & Ice:
  - o Please be advised that water is not provided at off-site locations. An Athletic Trainer (ATC) will provide injury ice when present and warranted.
- AT Coverage:
  - o An Athletic Trainer will be present at all varsity football games (home and away) as well as other home High School athletic competitions.
  - o Middle School Football home games are covered by an Athletic Trainer
  - o Some athletic events may take place off-site. Coverage of these events are as able/as determined by the Athletic Director and an Athletic Trainer may not be present.
