DESCRIPTION

The VONN **Slim Series Magnetic Track System** combines contemporary aesthetics with exceptional design flexibility. Available in 1-, 2-, and 3-meter profiles for surface-mounted, suspended, or recessed installation, the system allows designers to create everything from clean linear runs to customized geometric configurations using a variety of corner options. Its magnetic connection makes lighting layouts easy to adapt, allowing compatible light modules to be installed, repositioned, or changed even after installation as the needs of the space evolve.
