DESCRIPTION

The Slim Series Out Head with Dots presents a striking and unexpected design that captivates at first glance. It perfectly embodies the concept of invisible lighting, offering comfortable, glare-free illumination. With multiple light beam angles, an elegant body coating, and an anti-glare cover, it combines style with functionality. The fixture also includes an external dimming interface, compatible with Triac, 0/1-10V, and Dali systems, allowing for flexible control over the lighting atmosphere.

DIMENSIONS

PHOTOMETRICS
