

Labs Offering Health Insurance on the Decline

In 2008, 71% of labs offered health insurance. However, over the last decade, due to battling skyrocketing health insurance costs, the number of labs offering this benefit has dropped by nearly 20%.

2008:	71%
2010:	69%
2012:	66%
2014:	57%
2016:	54%
2018:	52%
