Did you know?

VPC partners with New Hope International to support churches across Eastern Europe.

New Hope’s focus is "the next generation," which involves children, youth and families. Families are the primary influence to raise up the next generation, while the church is the second most important spiritual influence. More than seeking large numbers "reached" or "commitments," New Hope’s emphasis, like the apostle Paul’s, is to "win" them. The emphasis is on winning over, turning around and becoming a fully devoted follower of Christ. A transformed life that is integrated in a local church, grows in spiritual maturity, and reaches out to others in need.

Today, we welcome Dimitrie Todorov who serves as National Director of New Hope Bulgaria. Since 2008 Dimitrie and New Hope Bulgaria’s Team have been reaching children, youth, and families for Christ, as they serve to equip, empower and build up the body of Christ in Bulgaria to transform their own communities. Children are welcome in the service; worship folders for kids are available just outside the sanctuary. Childcare and Sunday school class schedules are on the back page.

What is Lent? Lent is a time of preparation for Easter—a time to reflect on how we can fully live into God’s vision of who we can be.

Why forty days? The number 40 appears many times in the Bible: the days Moses was on Mount Sinai; the days Elijah spent walking to Mount Horeb; the days God sent rain in the great flood; the 40 days that Jesus spent in the desert. Forty days is also the amount of time most experts believe it takes to form a new habit.

The Connect Pad provides a way for you to connect with others at VPC, as well as to let church leaders know what they can do to support you. Please fill it out and pass it on during the offertory. And visit the Connect Table in the lobby after the service!
