Community Coalition for Haiti

Transforming lives, one by one, through long-term, community-driven solutions in healthcare, education, and community development.

Their mission, from start to finish, is to create a foundation for sustainable initiatives that are maintained by Haitians themselves. That is their greatest impact!

Last week, our summer mission project participants traveled to Jacmel, Haiti to share God’s love and care with the Haitian community.

To learn how you can support our Haiti mission or to join a future trip, contact Marie Buchwalter at marie@cchaiti.org or visit cchaiti.org

Parents are the primary influence in their kids’ lives. But research, experts, and statistics suggest that kids who have other influential adults in their lives have better odds at deep faith and success in life.

Where can you best use the gifts God has given you to influence the next generation for Christ?

How many times does Jesus use the word “believe” when He’s talking with Nicodemus? (look at John 3:1-21)

List 2-3 good things that happen to branches when they are attached and connected to the main vine.

List 2-3 good things that happen when you are attached and connected to Jesus in your life.

What did you learn from the “bird and sand” story at the close of today’s sermon?

Sketch the story

Prayers for this week:

Please Pray for:

- Middle school students and adults participating in the Summer Mission Project to Pittsburgh, PA.
- Middle and high school youth groups meeting in the Underground on Wednesday evenings in July to encourage fun, fellowship and worship through the summer.
- The families of children who attended VBS this week that they can begin or strengthen their relationships with God.

Challenge of the Week:

At VBS, the children learned that Jesus provides, comforts, heals, takes away our sin, and is THE way to the best kind of life for all of eternity.

Can you relate the experiment below to each of the five facts about what Jesus does for us?

**Step 1:** Fill a tall glass 3/4 of the way with cool water.

**Step 2:** Put 6 drops of food coloring in the glass.

**Step 3:** Mix 4 tablespoons of chlorine bleach and 1 teaspoon of baking soda in another glass or bowl.

**Step 4:** Pour the bleach and baking soda mix in the glass with the colored water. Watch what happens!

Tweet a picture of your sketch to @ViennaPres or post to Vienna Presbyterian Church on Facebook.

Vacation Bible School

Conquering Challenges with God’s Mighty Power

This year at VPC’s Vacation Bible School, we climbed to the summit of Mt. Everest! As you can see by the change of landscape, the kids were welcomed by the horizon of the mountains and the snow falling down. But what’s even more magical than winter in July is the Holy Spirit entering this place and inspiring campers as they hear God’s power through Bible Stories, music lyrics, and Huddle Time. The snacks, crafts, and, recreation stations created opportunities to strengthen old friendships and grow new ones in a community centered on Christ. Each day brought a Bible verse and point, presented excellently by the Opening skit team and other volunteers. Each child was enraptured by the words that were spoken:

God has mighty power. Power to provide...to comfort...to heal... to forgive... and the power to love us forever.

Praise God for the awesome, adventurous week these campers had!

Special thank you to Elaine Wright for directing an amazing VBS and to Burt Webb, Jennifer Zicht, and Macy Wright, who created Mount Everest in our sanctuary.
And thanks to Jallene Fuhrmann, Dana Treisch, and Lindsay Webster for all their decorating and administrative expertise!
