

2019 FYSH Fest Pre-Orientation Program

Wednesday, April 10, 2019

Dear Incoming Class of 2023,

Congratulations on your decision to attend Vanderbilt University and welcome to the Vanderbilt Hillel family. We are so excited to meet you and wanted to welcome you, and the rest of the class of 2023, to campus a few days early for food, fun, and friends. Register today for FYSH Fest, Vanderbilt Hillel's FREE inaugural pre-orientation program.

Our goal is to ensure that you start your Vanderbilt experience with an advantage that most other incoming students do not enjoy. FYSH Fest participants will be shown around campus and will make meaningful connections with peers before moving in. You will also learn more about our Hillel, your Jewish family on campus. We have amazing on-campus and off-campus activities planned for you.

In addition to the other incoming students, you will be joined by a group of student facilitators - hand-picked upperclassmen who have been through it all and have lived to tell about it. They represent a wide variety of majors, have lived in almost every dorm, come from all over the country, and can tell you about every activity on campus you need to know about. More importantly, they are all leaders on campus and will be there for you with mentorship and support before, during, and after FYSH Fest.

This FYSH Fest packet has all the information that you need to register. We provide the food, pay for the activities, provide t-shirts, etc. All you have to do is sign up! [You can register by filling out our online form](#) by Monday, July 8. The program is FREE for the class of 2023 thanks to the support of our donors.

Have questions? Call Brian Small, Hillel's Assistant Director, at (615) 343.2857, or e-mail brian.j.small@vanderbilt.edu. He's here, all summer long, to answer any questions you have about FYSH Fest and campus life in general. Once you sign up, you will get monthly E-mails (starting in May) before the program with additional important information that will make your experience coming to campus super easy.

Don't miss this amazing opportunity to hang out with us and make an early adjustment to campus life.

Sincerely,

Melissa

2019 FYSH Fest Pre-Orientation Program

Q & A

When does FYSH Fest start?

You will need to be here for FYSH Fest on Thursday, August 15, for an evening welcome program and registration. We will have programming all day on Friday, August 16, for parents AND students. The program will conclude with Shabbat on Friday evening and students will move into their dorm rooms on Saturday, with the rest of the class of 2023.

What is the FYSH Fest Pre-Orientation Program?

FYSH Fest is a pre-orientation program for all incoming students offered by Hillel and coordinated facilitators. Facilitators (we actually call them FYSH-facilitators) are hand-picked upper-class students that staff the FYSH Fest activities and guide the incoming students as peer mentors. FYSH Fest involves two days of activities (on and off campus) and a special Shabbat at the Schulman Center for Jewish Life.

Why participate?

This program is a great way for incoming students to meet upperclassman and peers before the academic year begins. Incoming students also get better acquainted with campus, learn how to get involved, and more!

Who is FYSH Fest for?

Everyone! It doesn't matter if you are an incoming first-year student or a transfer student. Hillel will offer fun activities for everyone regardless of your Jewish background or interests. All of the food will be provided by Hillel and is under kashrut supervision. Even the most observant Jewish students can enjoy FYSH Fest.

Remember, though, all incoming students are welcome, regardless of their religion.

How do I sign up?

[Fill out our online registration form.](#) Follow the instructions provided and book your transportation and hotel. Registration is FREE and includes the food, activities, a t-shirt, and MORE.

What are you waiting for?

Registration will remain open until Monday, July 8, or we hit our registration cap of student participants. We expect spots to fill quickly. Register TODAY.

Additional Questions?

Do you have any additional questions about FYSH Fest? Call Brian Small, Hillel's Assistant Director, at (615) 343.2857, or e-mail brian.j.small@vanderbilt.edu. He's here, all summer long, to answer any questions you have about FYSH Fest and campus life in general.

When Does My Student Move In?

Your student will participate in Vanderbilt’s scheduled move-in day on Saturday, August 17, and will receive top-notch service from the Vanderbilt move-in crew. Your student will also have the full Vanderbilt Orientation experience.

Where Can My Family Stay?

We recommend making accommodations with hotels within walking distance of Hillel. Consider booking with our partners at Homewood Suites. We will be contacting them shortly to arrange for a special rate for FYSH Fest families:

Homewood Suites by Hilton *
 2400 West End Avenue
 Nashville, TN 37203
 1-615-340-8000

Make sure your reservation extends through the entire weekend so that you can move your student in during Vanderbilt’s Saturday, August 17, move-in-day.

How Long Should My Family Stay?

While FYSH Fest is primarily for the incoming students, we are happy to provide parent-focused programming during FYSH Fest, as well. We can answer all of your questions about Hillel and campus life. We can give you important tips about Birthright, Greek Life, Holidays, and much, much more. You are also welcome at our Family Shabbat on Friday night with your student. It’s important to note, though, that Hillel respectfully asks families to disengage from their students during the programming schedule on Thursday night and Friday during the day. You’ll have plenty of time to shop and explore Nashville with your students before and after FYSH Fest.

Is FYSH Fest “Too Jewish”?

A number of families and incoming students ask us if FYSH Fest is “too Jewish”. We always tell them that while FYSH Fest is accommodating to all Jewish students (as we are observant of dietary laws as a Jewish organization), and we do culminate with Shabbat services and dinner, FYSH Fest’s first priority is to be a social program where students can become comfortable with their new environment. Hillel welcomes all Vanderbilt University incoming students to participate regardless of their religion.

What is a FYSH?

Vanderbilt Hillel has extensive programming for our First Year Students of Hillel (FYSH). This includes our pre-orientation program, FYSH Fest, a mentorship program, a leadership and programming board, and social programming. Keep an eye out for our FYSH Programming logo all year long!

Additional Questions?

Call Brian Small, Hillel’s Assistant Director, at (615) 343.2857, or e-mail brian.j.small@vanderbilt.edu. He’s here, all summer long, to answer any questions you have about FYSH Fest and campus life in general.
