

Parking at Vanderbilt Owen Graduate School of Business for Recruiters

As with most universities, on-campus parking is limited.

We are happy to provide you with a free pass to park in the Wesley Place parking garage across the street from our school. You can obtain your hang-tag pass from the Career Management Center before you park to avoid being ticketed.

The garage is located behind Bruegger's Bagel & CVS drugstore at the corner of 21st Avenue and Scarritt Place. The entrance is off Scarritt Place.

Using the second garage entrance, follow the signs to public parking on the first and second levels. Numbered spaces are designated for public parking with use of a hang-tag pass.
