Introduction:

Vanderbilt believes strongly in educating individuals on best practices for keeping minors safe. The Protection of Minors policy was created to standardize University practices and to establish expected codes of conduct when interacting with minors. All undergraduate and graduate/professional students are required to annually complete an educational module on protecting minors. Vanderbilt students participating in a student organization, course, or other Vanderbilt activity that involves interactions with minors may also be required to undergo additional compliance measures, such as a background clearance, as discussed below. Resources and additional information about this policy and the requirements can be found on the Office of Risk and Insurance Management website.

At the beginning of the semester, student organization leaders will be notified about a Protection of Minors Student Leader Training. It is recommended that a leader from each returning organization that interacts with minors attend one of these trainings. For organizations newly working with minors or with new leadership not knowledgeable of Protection of Minors policy compliance, the training is required. The Protection of Minors policy will be thoroughly explained during this training and handouts will be distributed.

As a student organization leader, you will be required to do the following:

1. Be knowledgeable of the Protection of Minors policy and the rules for registering, tracking, and participating in an event that involves minors.
2. Distribute relevant Protection of Minors information to your organization members.
3. Ensure that every member of the organization’s roster completes the Protection of Minors 101 module, or, if they completed the module last year, the Protection of Minors Annual Renewal module prior to any event with minors. Your POM Advisor can tell you which members of your organization are not in compliance. You may also have your members visit https://webapp.mis.vanderbilt.edu/pomcc/index to check their compliance date and verify a POM 101/Renewal date after July 1 of the current school year.
   *If you are a student organization that is required to complete a background check, all members of the roster must be in compliance with that requirement as well.

Scope of the Protection of Minors policy:

The Protection of Minors policy applies to events or programs including, but not limited to, tutoring, mentoring, and special events involving minors (e.g., holiday parties, conferences, etc.). The policy does not apply to collegiate events sponsored by Vanderbilt where college students who are minors may be participants or to concerts, performances, or speakers where minors will only be part of the general audience. Minors are defined as people under the age of 18 who are NOT Vanderbilt students or enrolled full-time at another college/university.

Compliance Requirements:

Student organizations that intend to interact with minors through their events are required to register in Anchor Link and specify that they will interact with minors during the registration process. There are two classifications of student organizations that interact with minors, Level 1 and Level 2, which are based on the type of supervision at the organization’s events.

- **Level 1:** These organizations host events with minors where the minors are supervised by a third party organization, or by the minors’ parents or guardians. Organizations with Level 1 events must complete the online Protection of Minors module.
- **Level 2:** These organizations host events with minors where the minors are supervised by Vanderbilt students or personnel and there is no third-party organization or parental/guardian supervision. Organizations must be approved to participate in Level 2 activities by the Office of Student
Accountability, Community Standards, and Academic Integrity (Office of Student Accountability) and, if approved, must complete the online module, as well as background clearances.

If you are a Level 1 organization that registers a Level 2 event, your event will be canceled. If your group would like to discuss the possibility of becoming a Level 2 organization, please contact doscompliance@vanderbilt.edu. Please note that Level 2 groups are limited and require additional compliance measures, including a separate application.

All of an organization’s events that include interactions with minors must be registered in Anchor Link and have attendance tracked (see below for more details on the registration process) and all members on the organization’s roster must be in compliance with the Protection of Minors policy two weeks prior to the first event with minors. This means all members on the organization’s roster must have completed the relevant Protection of Minors module and, if required, background checks. If an event involving interaction with minors is registered in Anchor Link and the entire organization’s roster has not completed the module and/or background check by two weeks prior to the event, the event and any reservations of event space will be canceled. If the organization wishes to reschedule the event, they must re-register the event in Anchor Link. It is important to keep your roster up-to-date and only include active members. In addition, it is recommended that you contact your Protection of Minors advisor a minimum of four weeks prior to your event date to check your organization’s compliance. Your advisor can provide you a list of organization members who still need to complete the required compliance measures.

Compliance with the Protection of Minors policy is important and required and it will be monitored by the Office of Student Accountability. Please be sure to abide by the instructions and procedures outlined in this packet in regards to registering and participating in events that include interaction with minors. Compliance will be tracked through an audit process which will be completed throughout the year. If a student organization is found to be out of compliance with the Protection of Minors policy, disciplinary action may be taken.

Audit Process:

The Office of Student Accountability, in coordination with the Protection of Minors program and Office of Risk and Insurance Management, will be in charge of the Protection of Minors audit process. At the end of each semester, ten percent of all events that include interaction with minors will be randomly reviewed. If, during the audit process, it is found that your organization was not in compliance with the Protection of Minors policy, yet you still participated in the event, disciplinary action may be taken.

The critical things we will examine during the audit process will include:

- Date the event was registered in Anchor Link and date of the actual event
- Completion of the module and/or background check for all of the individuals on the organization’s roster as of the event date
- Event attendance list based on card-swiped or uploaded attendance in Anchor Link
  - We will be checking to make sure that individuals who attended the event completed the online training and background check (if applicable)
- List of minors who participated (Level 2 organizations only)
- All forms (if necessary) were completed
  - Third party form (uploaded to Anchor Link event at least two weeks prior to event date)
  - Parent/guardian permission forms for every minor that participated (Level 2 organizations only; student org leaders are responsible for keeping these records and producing them when requested during the audit)

If you have any questions about the Protection of Minors policy, please contact doscompliance@vanderbilt.edu.
Registering Events with Minors:

Student organizations are required to register all events that fall under the Protection of Minors policy in Anchor Link. Events must be registered a **minimum of two weeks in advance.** It is recommended that they be registered earlier to ensure sufficient time for compliance requirements to be met. For events that are recurring/multi-date, please utilize the multi-date option on the form and indicate the nature of the reoccurrence. A **recurring event is one in which the same activity occurs on a daily, weekly, or biweekly basis involving the same population of students and minors.**

Please note that even if your event is initially approved in Anchor Link, it may still be canceled due to Protection of Minors non-compliance.

Steps for Registering Your Event:

- Go to your student organization’s group on Anchor Link (*Note:* Only officers with appropriate administrative access will be able to complete the event registration form.).
- Provide the primary details for your event (e.g., name, date, time, location, event description, etc.).
- On the 2nd page of the event form:
  - Indicate that your event will “**have non-VU attendees under the age of 18.**”
  - Check all appropriate boxes for any special event needs you have (e.g., VUPD/3rd party security, Traffic & Parking, Plant Operations).
- Complete the subsequent pages with the appropriate event details and information regarding the supervision of and interactions with minors at your event.
  - If minors will be supervised by a third-party organization, you must upload a scanned copy of the **Third Party Compliance Agreement** from each participating organization to your event registration as well as e-mail a copy to protectionofminors@vanderbilt.edu. (*Note:* A scanner is accessible in Sarratt 207.)
  - If any agreement form is completed after you submit your Anchor Link event, you will need to edit and resubmit the Anchor Link form so that the Agreement is included in your registration. If you Events will not be approved until this third-party agreement is submitted.
  - If minors will be supervised by Vanderbilt students/personnel (approved groups only), you must collect copies of the **Parent/Guardian Agreement** from each participating minor and designate someone in your organization to maintain those records should they be called on during the audit process.

Important Notes:

- If your event is not registered at least two weeks prior to the event date, it will be **denied** and any reservations for on-campus event space **will be canceled.**
- Even if your Anchor Link event is initially approved, if all members of your organization’s roster do not complete all required compliance measures two weeks prior to the event, your event will be **canceled.**
- If requested, you must attend a Special Events Registration meeting to discuss event details. The Special Events Committee is comprised of representatives from Reservations and Events, Traffic and Parking, Vanderbilt University Police Department, Plant Operations, the Center for Student Wellbeing, the Office of Risk and Insurance Management, and the Office of the Dean of Students.
  - Events that may require attending a special events meeting include, but are not limited to, outdoor events, events that require security, parking, or plant ops, public events, and runs/walks.
- If any event details change you must:
  - Edit and resubmit your Anchor Link event. (**Do not** submit a new registration form. To make any updates, go to the event page, scroll down to the “Manage Events” section at the bottom, and click “Change Details”.)
  - Communicate changes with your Event Manager through Reservations & Events.

(The following pages must be read by and provided to all third party event personnel who will be supervising minors – page 1 of 2):

Vanderbilt University personnel adhere to Tennessee state law on mandatory child abuse reporting to either the appropriate law enforcement agency or the state hotline operated by the Department of Children’s Service. In addition to external reporting, Vanderbilt has a mandatory internal child abuse reporting procedure. If you have reason to believe abuse or inappropriate behavior has occurred concerning a minor on campus or participating in a Vanderbilt University program, please consult the program director, event host, or Risk Management (615-936-5935), or report via the Vanderbilt hotline at (844-814-5935). The Tennessee Child Abuse reporting hotline number is 877-237-0004.

Mandatory Reporting of Child Abuse:

Recommended Guidelines for Reporting:

Tennessee Law on mandatory reporting of child abuse and neglect (TCA 37-1-403) states, “Any person who has knowledge of or is called upon to render aid to any child who is suffering from or has sustained any wound, injury, disability, or physical or mental condition shall report such harm immediately if the harm is of such a nature as to reasonably indicate that it has been caused by brutality, abuse, or neglect or that, on the basis of available information, reasonably appears to have been caused by brutality, abuse, or neglect.”

Selection from VANDERBILT PROTECTION OF MINORS POLICY (Section IV)

Every member of the University community (not limited to individuals who interact with minors) is required by law to report known or suspected instances of the abuse of, neglect of or inappropriate interactions with minors. Members making a report in good faith will be protected from criminal and civil liability for making the report. It is important to understand that every member is required to report any type of suspected abuse, neglect or inadequate care rather than just child sexual abuse.

Two reports, one external and one internal, must be made:

External Report: Tennessee law requires every person to make a report when they suspect sexual or physical abuse or neglect of a minor. Failure to report is a Class A misdemeanor. The required report may be made to the State of Tennessee Child Abuse Hotline at 1-877-237-0004, online at https://apps.tn.gov/carat/, to a Tennessee sheriff’s office or police department, including VUPD at 615-322-2745. If the situation is a life threatening emergency, contact 911.

Internal Report: Every member of the University community has a further obligation to report known or suspected abuse or neglect of a Minor on campus or in a Vanderbilt program immediately to Vanderbilt University. The preferred method is to immediately contact the Director of Minors Programs in the Office of Risk Management and Insurance at 615-322-5155. Alternatively, known or suspected abuse or neglect of a Minor on campus or in a Vanderbilt program shall be reported to the University hotline at 844-814-5935 or website at www.vanderbiltcompliancehotline.ethicspoint.com.
Policy Excerpt - VU Code of Conduct for Interacting with Minors

You are required by Tennessee law and Vanderbilt University policy to report actual or suspected abuse or other improper conduct involving a Minor. You also are also required to comply with the following code of conduct when interacting with Minors:

- Do not spend time alone, either on or off campus, with a Minor away from others. If one-on-one interaction is required, meet in open, well lit rooms or spaces with windows observable by other adults from the Program.
- Do not engage in any sexual actions, make sexual comments, tell sexual jokes, or share or view sexually explicit material with or within the vicinity of Minors.
- Do not touch Minors in a manner that a reasonable person could interpret as inappropriate.
- Do not shower, bathe, or undress with or in the presence of a Minor.
- Do not engage in any abusive conduct of any kind toward, or in the presence of, a Minor, including but not limited to verbal abuse, hitting, punching, poking, or restraining, except as required to protect a Minor or others from harm. All incidents involving such conduct, whether or not required to protect a Minor or others from harm, must be documented and disclosed promptly to the Program Director and the Minor’s parent/guardian.
- Be aware of the impact of your words and language on Minors.
- Do not use, possess, or be under the influence of alcohol or illegal drugs while on duty or when responsible for a Minor’s welfare.
- Do not meet with Minors outside of established times for Program activities. Any exceptions require parental authorization and must include more than one adult from the Program.
- Do not engage or converse with Minors through email, text messages, social networking websites, or other forms of social media at any time except and unless there is an educational or programmatic purpose and the content of the communications is consistent with the mission of the Program and the university.
- When transporting Minors in a Program, more than one adult from the Program must be present in the vehicle, except when multiple Minors will be in the vehicle at all times through the transportation. Avoid using personal vehicles if possible.
- Do not tell children “this is just between the two of us” or use similar language that encourages Minors to keep secrets from their parent/guardians.

“Take-aways” to remember when working with minors – Protect, Observe, Manage, Report:

- Rule of three (at minimum); two deep adult leadership
- If you see something, say something – Risk Management 615-936-5935 or VU Hotline 1-844-814-5935
- TN is a mandatory child abuse reporting state: 877-237-0004
- Know and understand how to keep healthy boundaries, minimize opportunity for abuse
- Group communication always – no one-to-one
