2019-2020
GUIDE TO THE
Housing Assignment Process
December 2018
Dear Vanderbilt Students,

The housing assignment process for the 2019–2020 academic year will begin on January 7, 2019. To help students with this process, Vanderbilt Student Government and the Office of Housing and Residential Education have produced the Guide to the Housing Assignment Process. This year’s housing assignment process differs from previous years, so please read the Guide in its entirety.

Vanderbilt offers a variety of housing options and emphasizes personal choice in a competitive assignment process. We encourage you to explore the options available for on-campus living by visiting different residence halls and talking with friends and other students about their experiences.

In May 2019, Vanderbilt will close Carmichael Towers West to continue construction of upperclass residential colleges. Our current residential colleges, Warren, Moore, and E. Bronson Ingram, are unique among Vanderbilt’s housing in that each class is allocated one-third of the spaces in each of the colleges. Nowhere else on main campus is that the case. Because of those fixed allocations, the assignment process for the residential colleges is different than the processes for all other campus housing. Please be sure to read the section on residential colleges carefully.

This guide provides you with the following:

• A calendar of important assignment deadlines and events
• Information about housing assignment policies and procedures
• Instructions about how to properly complete and submit housing registration and applications
• Information on forming roommate/hallmate groups

Registering for the housing assignment process and applying for the various types of housing will take place online. All undergraduate students who plan to enroll at Vanderbilt for the 2019-2020 academic year must complete the Housing Registration in the Student Housing Portal between January 7, 2019 and January 11, 2019. Students entering their third year of study or greater in the fall 2019 semester will be permitted to apply for authorization to reside off-campus. Students entering their second year of study in the fall 2019 semester will not be permitted to apply for authorization to reside off-campus.

We want to help you make the best decisions possible in this selection process. VSG works continuously with OHARE to improve the housing assignment process. We are interested in your feedback. If you have any concerns about the room assignment process or suggestions for improving the room assignment process, please do not hesitate to contact VSG. If you have a housing concern or any question about current policies or procedures, please contact OHARE at 615-322-2591 or visit the OHARE office suite located in Branscomb 4100.

Sincerely,

Alison Matarese

The residential experience is understood to be an integral part of a Vanderbilt education. This commitment to residential education is clearly expressed in the university’s residential requirement put in place by the Board of Trust in 1959:

“All unmarried undergraduate students must live in residence halls on campus during the academic year, May session, and summer sessions. Authorization to live elsewhere is granted at the discretion of the Director of Housing Assignments in special situations or when space is unavailable on campus.”

—Student Handbook

The requirement is binding on all undergraduate students regardless of age or academic class. By accepting a room assignment, a student is contractually obligated to occupy that room for the entire academic year, unless the student withdraws from the university, graduates, or participates in a Vanderbilt Study Abroad program. Vacant spaces are subject to assignment by the Office of Housing and Residential Education at any time.

All returning undergraduate students currently enrolled at Vanderbilt are required to participate in the housing assignment process. Students who are participating in a spring 2019 study abroad program, out of town internship program, or on a leave of absence but plan to return to Vanderbilt for the fall 2019 semester are required to participate in the housing assignment process. Students who currently have off-campus authorization or reside at home with their family are also required to participate. Fall 2019 transfer students and students who have been readmitted to Vanderbilt and are returning for fall 2019 are not permitted to participate in the housing assignment process.

Registering for the 2019–2020 Housing Assignment Process

All returning students, except those graduating prior to the fall 2019 semester, must register for the housing assignment process between January 7, 2019 and January 11, 2019 in the Student Housing Portal. The deadline to register is January 11, 2019 at 6 p.m. CST. Students register by logging into the Student Housing Portal and completing the 2019–2020 Housing Registration.

Points

Rising fourth-year students or greater have 4 points, rising third-year students have 3 points, and rising second-year students have 2 points. Ties in points are broken utilizing random selection.
**Procedural Fairness**

No student is favored over any other. All processes treat all students equally so that every student has an equal opportunity to pursue the housing of their choice. Procedural fairness is ensured through a random selection process, referred to by students as the lottery.

There are distinct random selections for every type of accommodation offered. The only exceptions are the Living Learning Communities for which students submit specific applications. Those applications are considered by committees.

**NOTE:** Procedural fairness guarantees equal opportunity, not equal outcomes. For example, the Powerball and Mega Millions lotteries are procedurally fair—all tickets have an equal chance of winning; however, the outcomes are not equal—only some ticket buyers win millions.

Likewise, in the housing assignment process each student has equal chances in the random selection processes, but some students are successful while others are not.

Our housing facilities vary widely in age, construction, location, type, room sizes, finishes, and many other attributes. As a consequence, Vanderbilt cannot guarantee students that they will be assigned to the housing that they most prefer or that is “equal” to another. However, all campus housing is suitable for academic, social, and personal growth and success at Vanderbilt. All students who engage in the housing assignment process will be assigned a room on campus unless authorized by the Director of Housing Assignments (or designee) to live off-campus.

**Room Types**

Vanderbilt University offers a wide variety of housing. Therefore, it is important that students study this guide carefully in order to make intelligent and well-informed decisions. Room types include:

- Traditional single and double rooms  
  (one room for sleeping/living)
- Suites with full kitchens for six students  
  (two single bedrooms and two double bedrooms)
- Suites with convenience kitchens for six students  
  (all single bedrooms)
- Suites with convenience kitchens for five students  
  (all single bedrooms)
- Suites with convenience kitchens for four students  
  (all single bedrooms)
- Lodges with full kitchens for 10 students  
  (all single bedrooms)
- Studio, one-bedroom, and two-bedroom apartments with full kitchens (all double bedrooms)
Student Accountability

Students are solely responsible for understanding the policies and procedures of the housing assignment process and meeting all deadlines.

Students Participating in Study Abroad Programs or Out-of-Town Internships for Fall 2019

Students who intend to study in a direct or indirect study abroad program or participate in an internship outside of Davidson County during the fall 2019 semester are eligible to participate in the random selection process. We encourage those students who have applied to a study abroad program or for an internship outside of Davidson County, but are uncertain as to their status or their participation, to take part in the selection of traditional single and double room accommodations only. Students should NOT participate in suite or apartment processes. Students who select spaces in group living accommodations will not have spaces held for them while they are away for the fall 2019 semester. Once students cancel their housing, the space will be assigned to another student.

Students who commit to participate in a study abroad program through the Vanderbilt Global Education Office (GEO) will be contacted by the Office of Housing Assignments in mid-April 2019 to confirm their participation and cancel their fall 2019 housing assignment.

Students who plan to participate in out of town internships and non-Vanderbilt study abroad programs must contact the Office of Housing Assignments via email at least sixty (60) days prior to the start of the fall 2019 semester to request a cancellation of their fall 2019 housing assignment.

Students participating in study abroad programs or internships during the fall 2019 semester who return to Vanderbilt for the spring 2020 will be required to live on-campus. Spring 2020 housing applications for returning students will be available from November 1, 2019 – November 30, 2019. Returning students will be assigned to available housing.

Fraternity and Sorority Housing

Students elected to officer positions who plan to reside in their chapter houses must complete the Housing Registration online between January 7 and February 22, 2019.

Greek Housing Applications will be available in the Student Housing Portal beginning February 1, 2019 at 12AM CST. All applications must be submitted no later than February 22, 2019 at 6PM CST.

Greek chapter housing authorizations are for the full academic year unless there is a change of officers in a house. In houses in which there is any change of officers at mid-year, new residents of the house must submit an application. The number of students moving out of the residence halls and into a Greek house must equal the number of students moving out of the house into the residence halls. No vacancies may be created in the residence hall system.
Students Requesting Reasonable Accommodations Under the ADA

The Office of Housing and Residential Education partners with Student Access Services (SAS) to ensure consistency in evaluating requests for reasonable consideration in housing.

Students seeking reasonable accommodation due to a documented impairment and who would like to be considered for reasonable accommodations under the Americans with Disabilities Act of 1990 and/or Section 504 of the Rehabilitation Act of 1973 should contact Student Access Services at 615-343-9727.

SAS will review all requests and share approved student requests with the Office of Housing Assignments. Students with approved requests will be offered a reasonable accommodation that meets the documented and approved need. The SAS website https://www.vanderbilt.edu/resed/housing-assignments/requests-for-ada-accommodations-and-other-special-requests/ provides information for students regarding reasonable accommodations, documentation guidelines and other information about the office.

All students who request reasonable accommodations due to a medical, psychological, or disability impairment must submit full and current documentation to SAS. The Office of Housing Assignments will not accept any documentation or housing requests regarding a student’s medical, psychological, or disability-related condition.

If SAS determines that you are eligible for reasonable accommodation, the Office of Housing Assignments will contact you about your assignment and will make every effort to find an appropriate and reasonable assignment as recommended by SAS.

The deadline to submit requests for reasonable accommodations for the 2019-2020 academic year is January 15, 2019.

SAS will notify students of the status of their requests no later than January 31, 2019. Late requests may not be considered until after the housing assignment process is complete. If a student with an approved medical need turns down the opportunity to live in a space that meets their approved need, the student’s request may be cancelled by the Office of Housing Assignments, and the student will need to participate in the housing selection process. Any future request from the student must be reviewed by SAS. The Office of Housing Assignments will reach out to all students who submitted required documentation by the January 15, 2019 deadline and are approved for reasonable accommodation in early February to finalize 2019-2020 housing assignments.

Housing Gender Designations

In general, the university designates buildings, floors, suites, apartments, and lodges by gender. Females and males have a roughly proportionate opportunity to be assigned to the various types of accommodation on campus.

Coed Housing Options for 2019-2020

In response to student demand, several options that de-emphasize gender-based housing assignments will be available for the 2019-2020 academic year.

Three floors in Lupton House will offer an equal number of double rooms for women and for men with bathrooms designated by sex.

One floor in Stapleton House will offer an equal number of double rooms for women and for men with bathrooms designated by sex.

All even numbered singles and doubles floors in Carmichael Towers II will offer an equal number of rooms for women and for men with bathrooms designated by sex.

The second and third floors of Blakemore House will offer an equal number of double rooms for women and for men. All double rooms have private full bathrooms.

The second floor of McGill Hall will offer an equal number of double rooms for women and for men with bathrooms designated by sex.

The third and fourth floors of McGill Hall will offer an equal number of double rooms for women and for men with gender-inclusive bathrooms.

McTyeire International House floors will be coed. Students will be assigned spaces within their language community. Bathrooms will be designated by sex.
In Warren College, Moore College, and E. Bronson Ingram College, floors and suites will not be designated by sex. That is, females and males will live on the same floors and they may – if they choose – live in the same suites. In Warren, Moore, and E. Bronson Ingram Colleges, traditional double rooms are single gender only. Community bathrooms will be designated by sex.

Gender-Inclusive/Mixed Gender Housing Options
Under previous guidelines and policies, students were required to be of the same legal sex in order to share a bedroom. In order to meet student demand and to recognize the complexities around sex and gender identity, students can form roommate/hallmate/suitemate groups with other student/s of their choice regardless of sex or gender for the Towers suite process and the Highland Quad apartment (Chaffin, Morgan, and Lewis) processes. In all suite and apartment processes, students will self-select their own roommates/hallmates/suitemates. Unless in mutual agreement, no student will be assigned to a space with a roommate of the opposite sex.

Off-Campus Housing: General Information
The Office of Housing Assignments anticipates authorizing roughly 900 students to reside off-campus for the 2019–2020 academic year. Only students entering their third and fourth year of study or greater will be eligible to request authorization to reside off-campus for the 2019–2020 academic year. Students currently residing off-campus for the 2018-2019 academic year who would like to continue residing off-campus for the 2019–2020 academic year must reapply for off-campus authorization in order to be re-authorized for the 2019–2020 academic year. Current off-campus residents who fail to reapply for off-campus authorization for the 2019-2020 academic year will be required to reside on-campus.

Requests for authorization to reside off-campus will be prioritized in the random selection as follows:
1. Students currently residing off-campus for the 2018-2019 academic year who plan to return to Vanderbilt for the 2019-2020 academic year will have first priority in the random selection process.
2. Students who will be entering their 4th year of study or greater for the 2019-2020 academic year who submit their Off-Campus Housing Application by the advertised deadline will have second priority in the random selection process.
3. Students who will be entering their 3rd year of study for the 2019-2020 academic year who submit their Off-Campus Housing Application by the advertised deadline will have third priority in the random selection process.

Students in the above categories should understand that their priority is contingent upon completing their Housing Registration and Off-Campus Housing Application by the posted deadlines.

Students who intend to study in a direct or indirect study abroad program, participate in an internship outside of Davidson County, or take a leave of absence during the fall 2019 semester are not eligible to reside off-campus and should not request off-campus authorization. Students granted authorization to reside off-campus forfeit their off-campus authorization for the entire 2019–2020 academic year if they decide to study abroad, participate in an internship outside of Davidson County, or take a leave of absence during the fall 2019 semester. STUDENTS PARTICIPATING IN STUDY ABROAD PROGRAMS OR INTERNSHIPS DURING THE FALL 2019 SEMESTER WILL BE REQUIRED TO LIVE ON-CAMPUS DURING THE SPRING 2020 SEMESTER, AND THEY WILL BE ASSIGNED TO AVAILABLE ON CAMPUS HOUSING.

Off-campus authorization decisions will be announced via email on January 23, 2019 at 5 p.m. CST. Students who are granted off-campus authorization but wish to decline their off-campus authorization in order to participate in the on-campus room selection process must do so by January 30, 2019 at 5 p.m. CST in the Student Housing Portal. Students who decline off-campus authorization are required to reside on-campus for the 2019–2020 academic year. Requests to reside off-campus solely for the spring 2020 semester will not be considered. Students declining off-campus authorization after January 30, 2019 at 5 p.m. CST will lose a point in the housing assignment process and will not be allowed to reserve their current spaces.

When Vanderbilt receives notice of a landlord in a community whose practices are violating local law and/or endangering the safety and well-being of student tenants or neighbors, then Vanderbilt reserves the right to deny students the privilege to live off-campus at properties owned by these landlords. If a student is living in an off-campus residence alone or with one or more other students or non-students, and the residence is found by the university to be in violation of the Good Neighbor Guidelines or is adversely affecting the university’s relationship with the neighboring community, all residents may be considered in violation of this policy even though the conduct of an individual resident cannot be specifically identified. A student whose authorization to live off-campus is revoked will be required to return to campus immediately and live in on-campus housing assigned at the discretion of the Director of Housing Assignments.
IN ALL CASES, STUDENTS WISHING TO RESIDE OFF-CAMPUS FOR THE 2019–2020 ACADEMIC YEAR SHOULD NOT MAKE OFF-CAMPUS LIVING ARRANGEMENTS UNTIL THEY HAVE BEEN OFFICIALLY AUTHORIZED BY THE DIRECTOR OF HOUSING ASSIGNMENTS. CONTRACTS BETWEEN STUDENTS AND OFF-CAMPUS LANDLORDS AND AGREEMENTS BETWEEN FRIENDS TO SUBLEASE A SPACE OFF CAMPUS ARE NOT VALID REASONS FOR GRANTING REQUESTS FOR AUTHORIZATION TO LIVE OFF-CAMPUS.

Off-Campus Housing Applications and Roommate Groups

Off-campus housing applications will be available in the Student Housing Portal for all eligible students between January 16, 2019 at 12 a.m. midnight CST and January 22, 2019 at 6 p.m. CST. All rising third- and fourth-year students or greater who are interested in residing off-campus for the 2019–2020 academic year must complete the Off-Campus Housing Application.

Students who wish to apply for off-campus authorization as an individual only need to complete the Off-Campus Housing Application to be considered in the off-campus random selection process.

For the purposes of the off-campus, seniority-driven, random-selection process, students will be permitted to form roommate groups. Students who form roommate groups will be linked together for the seniority-driven, random-selection process and will either be granted or denied authorization to reside off-campus as a group. The maximum size roommate group is three (3) students. Students currently residing off campus for the 2018-2019 academic year must reapply for authorization as an individual and cannot form a roommate group.

Upon completion of the Off-Campus Housing Application, students will be able to form a roommate group with other off-campus applicants. In order to request a roommate, that student must have also completed the Off-Campus Housing Application. Students who do not submit an Off-Campus Housing Application will not be able to request roommates or be requested as a roommate. All roommate groups must be formed by January 22, 2019 at 6 p.m. CST.

Steps for Forming Off-Campus Roommate Groups:
1. Log into the Student Housing Portal
2. Click on “Roommate Selection”
3. Select “Roommates/Suitmates”
4. Select “Fall 2019” as the term and click “Submit”
5. If any other student/s have already requested you as a roommate, the requests will show under “pending Requests”. To accept requests, click the green box. To decline requests, click the red box.
6. To request a student, utilize the “Roommate Search” function. Students are strongly encouraged to search by VUnetID.
7. Confirm that all members of your roommate group accept/request the student/s in the group no later than January 22, 2019 at 6 p.m. CST. Improperly matched roommate groups will be treated as individuals for the random selection process.

IN ORDER TO BE CONSIDERED A FULLY MATCHED ROOMMATE GROUP, ALL MEMBERS OF THE ROOMMATE GROUP MUST EITHER REQUEST ONE ANOTHER OR ACCEPT ANY PENDING REQUESTS FROM OTHER GROUP MEMBERS. NO EMAILS OR COMMUNICATION REGARDING ROOMMATES WILL BE SENT TO STUDENTS FROM THE OFFICE OF HOUSING ASSIGNMENTS. STUDENTS ARE RESPONSIBLE FOR COORDINATING WITH ONE ANOTHER TO ENSURE ROOMMATE GROUPS ARE PROPERLY FORMED. UNMATCHED ROOMMATE GROUPS WILL BE CONSIDERED AS INDIVIDUALS FOR THE PURPOSE OF THE OFF-CAMPUS RANDOM SELECTION PROCESS.

Off-Campus Housing Application Results

A seniority driven, random selection utilizing point average will be used to determine successful individuals or groups. Students will be notified of the results of the off-campus housing random selection process on January 23, 2019 at 5 p.m. CST via email. Students who are granted authorization to reside off-campus but wish to decline the offer in order to participate in the on-campus room selection process must do so by January 30, 2019 at 5 p.m. CST in the Student Housing Portal. Approved students who were part of a roommate group accept or decline their off-campus authorization as individuals. If one or more members of a roommate group declines their off-campus authorization, it does not impact other members of the roommate group. Students who decline their authorization after the January 30, 2019 deadline will lose a point in the on-campus housing assignment process and lose the ability to reserve their current spaces for the 2019–2020 academic year.
# HOUSING ASSIGNMENT CALENDAR 2019–2020

Living Learning Communities: General Information

Vanderbilt’s Living Learning Communities offer students with special educational interests the opportunity to interact with faculty members and to live together in residence halls with structured learning environments, led by elected student councils that advocate for student-driven ideas and passion.

The McTyeire International House, the McGill Project, and the Mayfield Experience have special application and admission processes. Applications and additional information are available on the Living Learning Communities webpage. ALL Living Learning Community applications will be due on Friday, February 1, 2019 by 4:30 p.m. For more information, please visit the LLCs webpages, as well as participate in LLC Week, during which staff will host several information sessions and signature events within the individual communities. LLC Week will take place January 16-January 26.

McTyeire International House offers programs for students seeking to improve their fluency in French, German, Japanese, Chinese, Spanish or Russian. An additional program is offered in English for students seeking to learn more about international topics. McTyeire students are required to speak their target languages or discuss international topics at specific activities, including weekly study breaks and international dinners prepared in the McTyeire kitchen and served in McTyeire’s own dining room Monday through Thursday. Find out more about life at McTyeire at https://www.vanderbilt.edu/resed/living-learning-communities/mctyeire-international-house/.

The McGill Project offers students an open and inviting environment where they can learn from and interact with faculty and staff members outside the classroom. A home for students with a wide variety of majors and interests, McGill Project members consider themselves part of an ongoing campus tradition of free expression and discovery, represented during yearly programs and activities. During McGill’s Annual Spring Showcase, project members present visual art, poetry, performance art, and other creative exhibits. Weekly McGill Hours allow Vanderbilt professors, Nashville community activists, and McGill residents to share and discuss more controversial and provocative topics outside the classroom. Get a closer look at McGill at https://www.vanderbilt.edu/resed/living-learning-communities/mcgill/.

The Mayfield Experience seeks to empower students to pursue their service and learning interests. The Mayfield Experience provide opportunities to create a self-generated, self-directed group project with the guidance of a faculty adviser of the students’ choice. Groups apply by creating and presenting a detailed proposal of their project’s purpose, goals, and timeline. Following a panel-style interview process, groups with well-formed and well-articulated projects may be admitted into the community. Upon entry into the lodges, program requirements include monthly reports, weekly meetings, attendance at lectures with faculty and staff, regular meetings with faculty advisers, and participation in educational programs for the campus and community at large. Additional information on the Mayfield experience is available at https://www.vanderbilt.edu/resed/living-learning-communities/mayfields/.
Residential Colleges (Warren, Moore, and E. Bronson Ingram Colleges): General Information

Warren and Moore Colleges, Vanderbilt’s first two upperclass residential colleges, first opened in the fall 2014 semester and house approximately 660 students. E. Bronson Ingram College opened in the fall 2018 semester and houses approximately 340 students.

Residency in Warren, Moore, and E. Bronson Ingram Colleges is open to all upperclass students who complete the Housing Registration between January 7, 2019 and January 11, 2019. Current residents of Warren, Moore, and E. Bronson Ingram Colleges have priority to return to their college, and have the opportunity to participate in room reservation (spring 2019 residents only) and the returner process prior to the new resident process.

Each of the three colleges will be composed of 33% fourth-year students, 33% third-year students, and 33% second-year students. Spaces will be allocated 50/50 between females and males. Floors and suites will not be designated by sex. Females and males will live on the same floors and may—if they choose to—live in the same suites. Only the traditional doubles are single gender.

Room Types
- Traditional single rooms
- Traditional double rooms
- Suites for four (4) students
- Suites for five (5) students (Warren and Moore Colleges Only)
- Suites for six (6) students (Warren and Moore Colleges Only)

The suites are composed of individual bedrooms for each student, a full bathroom, a convenience kitchen (i.e., a kitchen with refrigerator, microwave, sink, cabinets, cupboards, and drawers) and a common living/eating space. Some suites for five and six students in Warren and Moore Colleges are two-story.

Amenities include The Kissam Market, a 24/7 market within the Kissam Center that offers grab-and-go snacks, fresh salads, sandwiches, and sides, microwavable meals, baked goods, sundries, health and beauty aids, packaged food, coffee, juice, fountain beverages, bottled beverages, milkshakes, and study supplies.

Serving hot, prepared meals for breakfast Monday–Friday and dinner Sunday–Thursday is The Kitchen. This open-air kitchen is where chef-crafted, themed meals are prepared and served.

Amenities in E. Bronson Ingram College will include a full-service dining hall open for three meals per day.

Residential College Experience Fee
All students residing in a Residential College (Warren, Moore or E. Bronson Ingram) will be charged the Residential College Experience Fee. This fee will be $352.69 per semester pending Board of Trust approval for the 2019-2020 academic year. This fee will help support the programmatic initiatives within each college.
Residential Colleges Statements of Affirmation
To be eligible to live in Warren, Moore or E. Bronson Ingram College, every student who participates in the new resident process must assent to each of the statements of accountability:

"I understand that my behavior and participation in a Residential College is subject to review by the faculty director and staff and that inappropriate behavior or lack of engagement may result in the loss of the privilege of residing in the Residential Colleges."

"If accepted, I agree to participate in any assessments of college, hall, or program."

Residential Colleges Application Question
All students participating in the New Resident Process must answer the following:

"Please list a few of your most notable interests as they relate to the residential colleges."

Residential Colleges Current Resident Process:
Room Reservation and Returner Process
Students residing in Warren, Moore, and E. Bronson Ingram Colleges during the spring 2019 semester have priority to return for the 2019–2020 academic year. Students who resided in Warren, Moore, and E. Bronson Ingram Colleges during the fall 2018 semester, but did not return to Vanderbilt for the spring 2019 semester, are eligible to participate in the returner process, but cannot participate in room reservation.

Permission to remain in the community will be at the discretion of the faculty directors. All residents must remain in their current college and are not eligible for spaces in any other college. In order to participate in either the Warren, Moore, and E. Bronson Ingram Colleges room reservation or returner process, students must complete the Housing Registration between January 7 and January 11, 2019. Any student who participates in either room reservation or the returner process is guaranteed a space in their building for the 2019–2020 academic year. NOTE: Participation in the Residential Colleges Returner Process does not guarantee a particular room type. Depending on space availability, students may be assigned to group living accommodations (doubles and suites) with random roommates/suitemates from their college.

Residential Colleges Room Reservation (January 31 and February 1, 2019)
Individual students currently residing in single rooms will have the opportunity to reserve their spaces for the 2019–2020 academic year. Students wanting to reserve their current rooms for the 2019–2020 academic year should come to the OHARE Suite–Branscomb 4100 on either January 31 or February 1, 2019 between 8 a.m. and 4:30 p.m. For double rooms and suites, all current residents must arrive together.

To reserve a double room or a suite, all current spring 2019 residents must agree to return to the double room or suite for the 2019–2020 academic year. Double rooms and suites must be fully occupied during the spring 2019 semester in order to be eligible for reservation.
Students residing in ADA spaces during the spring 2019 semester are not eligible to reserve their current spaces and will need to participate in the returner process in order to return to their building. Students with questions about the status of their spaces should contact the Office of Housing Assignments.

Residential Colleges Returner Process (Begins February 4, 2019)
Current spring 2019 residents, as well as fall 2018 residents of the Residential Colleges who did not return to Vanderbilt for the spring 2019 semester, are eligible to participate in the Residential Colleges Returner Process. Fall 2018 residents who moved to another on-campus room assignment for the spring 2019 are not eligible to participate in the Residential Colleges Returner Process.

Any current spring 2019 semester resident who wishes to participate in the Residential Colleges Returner Process must complete the Residential Colleges Returner Application in the Student Housing Portal between February 4, 2019 at 12 a.m. CST and February 6, 2019 at 6 p.m. CST. Traditional Upperclass Housing

Room Reservation ("Squatter’s Rights"): General Information
A reservation room policy frequently referred to as "squatter’s rights" allows rising third- and fourth-year residents to reserve their current (spring 2019) rooms for the 2019-2020 academic year without participating in the various random selection processes. Room reservation will take place between February 27 and March 1, 2019 in the OHARE suite (Branscomb 4100) from 8 a.m – 4:30 p.m..

Suites and apartments may be reserved as long as a specified number of the current occupants agree to return. Due to the closing of Carmichael Towers West (Towers 3 and 4) in May 2019, suites in Carmichael Towers West will not be eligible for reservation.

Rising third- and fourth- year students may reserve their current single and double rooms during the room reservation period. To reserve a double, both current residents must be returning. Rising third- and fourth-year students wishing to select new singles or doubles in the building in which they currently reside must participate in the various random selection processes.

Suite/Apartment Reservation Process
Upperclass students seeking to reserve their current suites or apartments must bring their current Commodore Cards to the Office of Housing and Residential Education Suite (Branscomb 4100) on February 27, February 28 or March 1, 2019 between 8 a.m. and 4:30 p.m. CST.

To reserve the space, all residents of the suite or apartment, including new roommates, must be present. If groups are filling spaces with students not attending Vanderbilt for the spring 2019 (spring study abroad, out of town internships, leaves of absence, etc.), those students must send an email to resed@vanderbilt.edu confirming their desire to reside in space, and identifying which space in the suite/apartment they would like to reside in. This email must be received prior to the remaining members of the group coming to the OHARE suite to reserve the space.

In order to reserve their current suite or apartment, there must be sufficient number of current students who agree to renew (RA suites and apartments are not eligible for reservation). The guidelines are listed below:

**Six-Person Towers Suites**
- Three out of six current spring 2019 residents must be returning

**Morgan and Lewis**
- Studio (05 apartments): Two out of two current spring 2019 residents must be returning
- One-Bedroom: Two out of two current spring 2019 residents must be returning
- Two-Bedroom: Three out of four current spring 2019 residents must be returning

**Four-Person Chaffin Apartments**
- Three out of four current spring 2019 residents must be returning

**Branscomb Suite Doubles (Scales and Vaughn):**
- Three out of four current spring 2019 residents must be returning.
All four students must be the same gender.
Any returning undergraduate student may fill the remaining spaces. Incoming fall 2019 transfer students and readmitted students are not eligible. Staff suites and apartments and Mayfield Experience lodges are not eligible for reservation. A group may reserve only the suite or apartment it currently occupies and must fill all beds in the suite/apartment.

At the time the suite or apartment is reserved, each student will be required to designate the room in which they will reside. The residents of the suite or apartment should decide who will live in which room prior to the reservation process.

Suites/Apartments Processes

General Information
Six-person Towers suites, four-person Highland Quad Apartments, and two-person Highland Quad Apartments will be included in the suite/apartment random selection processes. All random selection processes will run consecutively, and students are welcome to participate in all random selection processes. Participating in one random selection process does not prohibit a student from participating in future random selection processes. Once a room is selected, students are no longer permitted to participate in future random selection processes.

Roommate/suitemate/hallmate group formation is specific to each random selection process. Housing Waitlist

General Information
In accordance with the Vanderbilt’s commitment to residential education, every effort is made to house as many students as possible on campus. Planning for the random selection takes into account the fact that assignments are canceled in the summer by students who change their plans to return to Vanderbilt. To take advantage of these cancellations, a waiting list for housing is intentionally created.

Any student without a 2019-2020 academic year room assignment upon completion of the Double Room process should sign up for the Housing Waitlist. The Housing Waitlist Application will be available in the Student Housing Portal on April 15, 2019 at 8 a.m. CST. Students on the housing waitlist will be assigned to available vacancies over the summer months. Students are assigned off the waitlist first come, first served.

Rising Second-Year Student Single Room Waitlist
Due to supply of single rooms being exhausted upon completion of the upperclass singles process, rising second-year students are not eligible to apply for single rooms. All rising second-year students without a room assignment at the start of the double room process should participate in the double room process and select a room at their designated room selection time.

After completion of the room selection process, any rising second-year student who participated in the room selection process and selected a room for the 2019-2020 academic year may sign up for the rising second-year student single room waitlist.

In order to sign up, interested students should complete the Rising 2nd Year Student Singles Waitlist Application in the Student Housing Portal between April 15, 2019 at 8 a.m. CST and April 19, 2019 at 6 p.m. CST. Should single rooms become available over the summer months, a random selection will be held. If you are selected for a single room, you will be contacted via email and must respond indicating your desire to forfeit your space in your assigned room.

Special Notes
Semester Housing Rates for 2019-2020 Academic Year
Subject to approval by the Board of Trust, the 2019-2020 housing rate will be $5,522 per semester. The rate includes a $6 Vanderbilt Student Government fee per semester. These rates are projected for the upcoming academic year and will not be finalized until the Board of Trust meets during the spring semester.

Notification of Roommates and Suitemates
Students who cancel their housing for any reason (participate in a study abroad program or internships, take a leave of absence, withdraw, etc.) are responsible for notifying their roommates and/ or suitemates prior to the time, or at the same time, that the university is notified.

The Office of Housing Assignments will immediately assign the canceled rooms to students on the housing wait list, returning students, or transfer students unless notice is immediately received that the remaining roommate(s) or suitemates have a roommate/suitemate preference. All vacant spaces are subject to assignment by the Office of Housing and Residential Education at any time.

Residence Hall Semester Break Closing
All residence halls will close for the Thanksgiving holiday (November), semester break (December/January), and spring break (March) for the 2019-2020 academic year. All residence halls will remain open during the mini fall holiday.

Terms of Contract
Once students have received their room assignments, they are housed for the entire year. This means both FALL AND SPRING SEMESTERS, unless they withdraw from the university, take a leave of absence, graduate, participate in an out-of-town internship, or participate in a Vanderbilt study abroad program. Normally, there is no shortage of housing during the spring semester. Therefore, students will not be permitted to move off-campus mid-year.
