Name of Internship (i.e. Internship in Material Physics, research skill development, etc.)

Will the Student Intern be paid a stipend by the department?  
☐ Yes  ☐ No

Will your department’s worker’s compensation policy cover the student intern?  
☐ Yes  
☐ No, but equivalent coverage  
☐ No, exempt

**ACTIVITIES & GOALS**

Please describe the student intern’s role for the proposed internship program.

Please describe the specific goals and objectives for the internship.

Please list the names and titles of those who will provide daily supervision of the Intern, indicate which individual will be the primary supervisor.

For each supervisor listed above please describe their qualifications to teach the planned learning.

What specific knowledge, skills or techniques will be learned during the internship?

How, specifically, will these knowledge, skills or techniques be taught? Include the specific tasks and activities to be completed during the internship.

Do you plan to have the student intern participate in any academic courses while at Vanderbilt? □ Yes □ No

Please describe the course attendance planned for the student and explain how it is related to the student intern’s training plan. List the course name and number for any courses in which the student will participate.

How will the intern’s acquisition of new skills and competencies be measured during the internship?
Because the J-1 Exchange Visitor program as a whole is designed to provide the participant with cultural experiences that will enhance his/her understanding of the U.S., please describe the department’s plans to introduce/share U.S. culture with the intern throughout the program.

How do the proposed internship activities differ from any duties or job responsibilities of the department’s permanent staff members? Please explain how this internship will not be used for ordinary employment.
