Job Posting

1. **Job Title:** Tennessee Governor's Management Fellowship
2. **Division:** Office of the Governor
3. **Job Description:**

   The prestigious Tennessee Governor's Management Fellowship is awarded to exceptional applicants who wish to serve and learn with the state of Tennessee's top executive leaders. The nonpartisan program offers a competitive salary and is open to recent college graduates demonstrating outstanding academic achievement, a genuine passion for serving their community, remarkable character, and leadership abilities.

   These talented and highly-motivated individuals are awarded the unique opportunity to spend two years working full-time for senior and top-ranking government officials. Fellows will be oriented in state government by spending the first six months of the fellowship working with the office of Customer Focused Government. The enterprise-wide initiatives that fellows will support are focused exclusively on identifying and producing measurable improvements in the state's operations.

   After the 6 month period, through a mutual selection process, fellows will coordinate with agencies to identify opportunities to work on impactful projects in a department, based on personal interests and skills. For the remaining eighteen months, fellows will work closely with commissioners and executive level leadership to affect systemic change in enterprise or departmental operations, as well as understand policy issues and support specific program areas. At the same time, fellows will participate in an accelerated leadership development program, learning with other executive branch leaders, and have opportunities to attend events with the state's top private and public sector leaders. The fellowship is a two-year commitment.

4. **Industry:** Government
5. **Position Type:** Full-Time
   - **Job Function:** Consulting
6. **Compensation:** Salary and full benefits
7. **Commitment:** Two-years
