Beyond Boundaries Award
For Outstanding Community Service

This award will be given annually to senior MHS majors whose community service efforts and leadership skills have taken the study of medicine, health, and society beyond the boundaries of the University. Award recipients will have demonstrated via community involvement and/or research the applicability of MHS to the larger human experience. Each recipient will receive a $200 honorarium.

Name of Nominee ____________________________________________________________

Nominated by: ______________________________________________________________

► Students MAY nominate themselves for this award ◄

Please describe the nominee’s community service work and how it relates to MHS. Describe the endeavors and/or qualities that communicate the nominee’s creativity, vision, and leadership in community service.

Application Deadline is April 14th, 2017
Send Nominations to: mhs@vanderbilt.edu
