Update: Status of Mumps Outbreak on Campus

To date, there have been 10 cases of mumps on the Vanderbilt campus since this semester started in January. We have been fortunate that the outbreak has been small, and our affected students have had very mild symptoms.

May 6
Residence halls close at 9 a.m. except for graduating

Tips for a Seamless Move-out in May

As the spring semester draws to a close, the Office of Housing and Residential Education offers a few helpful tips to ensure that your student’s move-out process runs smoothly next month:

1. Students must check out before departing campus. They need to meet with their resident adviser to review and sign their room condition report (RCR) and report any damages.
2. Return all keys to the resident adviser staff to avoid the $50 replacement fee.
3. All residents are responsible for cleaning their rooms prior to departure to avoid associated cleaning fees.
4. All personal belongings must be removed, including purchased carpets and refrigerators.
5. Recycle or donate unwanted items in good condition at designated drop-off locations.
6. Make arrangements in advance for summer storage.
7. Students should submit a Change of Address form to the post office before they leave campus.

Your student will soon receive an official notice from the Office of Housing and Residential Education with details about closure of the residence halls.
April’s Most Frequently Asked Question: What Options Does My Student Have for Summer Storage?

**University storage rooms:** Limited storage space is available on campus in university storage rooms on a *first-come, first-served* basis. No more than two personal items may be stored. Only luggage, footlockers, metal garbage cans and refrigerators that have been properly defrosted may be stored. All items should be labeled with:

1. Student’s name
2. Date stored
3. Fall 2017 residence hall and room number
4. Permanent address and phone number

Storage space is not guaranteed. For more information, please call the [Office of Housing and Residential Education](#) at (615) 322-2591.

**UPS Store services:** April 26-May 7, 11 a.m.–5 p.m. daily, temporary UPS locations will be set up at the following locations*:
• Branscomb Quadrangle, lobby and curbside
• Carmichael Towers: East, lobby; and curbside between East and West
• Highland Quadrangle: Chaffin, Lewis and Morgan, curbside
• The Ingram Commons: East, curbside in west parking lot behind Crawford; and Gillette, curbside
• Kissam Center, lobby
• Stambaugh House, lobby

*Current at time of publication. Please see the [UPS website](https://www.ups.com) and/or call the UPS Storage Hotline at (615)-327-4614 for location updates.

UPS will provide package shipping services, summer and Study Abroad storage, and in-room packing by appointment. UPS will also sell packing supplies (such as boxes, tape and bubble wrap).

April 24—by appointment only—UPS will schedule free in-room pickup of items for storage and shipping. For more information, visit the [UPS website](https://www.ups.com) or call (615) 327-4614 during business hours: Monday–Friday, 8 a.m.–7 p.m.; and Saturday, 9 a.m.–5 p.m. (Closed Sunday.)

May 8-13, UPS will be on campus to assist seniors.

August 16-23, plan your shipment so that your UPS packages arrive on campus during this time.
How to Encourage Good Study Habits

When your student is away at college, there’s no guarantee that they’ll do anything the way you want them to. Even if your student brushes off your advice at first, when they really need to buckle down and study, they’re going to remember all of the good study habits that you suggested.
