

RELIANT SERIES

Reliant Series combines the strength and durability of aluminum with the engaging look of wood. Anodized aluminum framing secures the sliding glass doors and incorporates a built-in lock. The accent wood, which comes in oak veneer or woodgrain vinyl, completes the design for a clean, uncluttered appearance. Reliant Series display cases are available with a cornice lighting fixture for an enhanced presentation. Ideal for either traditional or contemporary settings, the Reliant Series is a value-packed choice for the protected display of your treasured memorabilia.
