1. Commercial must advertise at least one product with a special and regular price as per DACO regulations.
2. Commercial must be 30 seconds or 2-15seconds in length.
3. Commercial must state the specific retail locations where the product is available.
4. Sales must have a start and end dates. No sales may be longer than three weeks.
5. Package must run as presented and make goods will be mandatory and given automatically.
6. Client may select any day of the week to run package, but no more than one day per package.
7. Payment in advance unless previous credit with WAPA is established.
8. All spots will run on a ROS basis within their respective time blocks and can be pre-emptable.
WAPA reserves the right to withdraw this offer at any time.
9. The spot must clearly be one for the retail store, not the products advertised. Under **NO** circumstances segments of the commercial of the products advertised can be included in the commercial
