

Celebrate World Water Day!

with the Champlain Basin Education Initiative

Thursday, March 19, 2015

4:30 - 6:30 p.m.

Main Street Landing Performing Arts Center, Burlington, VT

4:30 Light Refreshments & Viewing of Student Work

5:00 Guest Speaker: Rachael Miller

Rachael is a co-founder of Rozalia Project. She has extensive experience on and in the sea; sailing, studying underwater archaeology (Brown University), marine mammals and teaching everything from how to pilot ROV's to designing and running Rozalia Project's marine debris programs at sea and along Lake Champlain's shoreline.

6:00 Celebration & Presentation of Awards

**We want you to enter our WATER DAY contest!
Fresh and salt water entries are welcome.**

All entries are due by March 9th.

Each K-12 class or homeschool group can submit up to 3 entries. Projects will celebrate the wonders and benefits of water in the Lake Champlain Basin and worldwide.

Categories include:

- **CELEBRATE WATER**
- **SPREAD THE WORD**
- **CITIZEN SCIENCE AND CIVIC ACTION**
- **ACT LOCALLY THINK GLOBALLY**

Choose from several formats:

Writing, Videography, Photography and/or Art

Organisme de bassin versant de la baie Missisquoi Québec

Will your class walk away with the big award?
