

WATERSHED FOR EVERY CLASSROOM

Enrich!
your curriculum with local, relevant and engaging topics while addressing national standards and district expectations.

Network!
with teachers from around the Basin in Québec, New York & Vermont.

Meet!
with Basin scientists, historians and stewards who work to preserve and protect this amazing place.

Have Fun!
and get outdoors! WEC is like camp for teachers: You'll travel the Basin, visit farms, paddle waterways, explore mountain tops, tour urban areas and much more!

A professional development experience for K-12 teachers

Join the hundreds of educators who bring their discipline alive through watershed education!
