Wawa, PA (November 7, 2019) – Wawa, Inc., today announced that this Veterans Day, the company will once again offer **free coffee of any size to veterans, active military members and their families**, all day, with no military ID required. This will take place on **Monday, Nov. 11, 2019**, at all of Wawa's more than 870 stores throughout Pennsylvania, New Jersey, Delaware, Maryland, Virginia, DC and Florida.

"At Wawa supporting our military is part of our DNA and each year, Veterans Day gives us a chance to thank our troops, and, in our own small way, give something back to these brave and dedicated men and women," said Chris Gheysens, Wawa's President and CEO. "Once again, we plan to honor our military and their families with free coffee on Veterans Day, and also through a massive care package assembly at our Wawa headquarters the Thursday before Veterans Day. For more than a decade, we've been providing troops abroad with a *taste of home* through our coffee care packages, and we are passionate about continuing this tradition for years to come."

Operation Taste of Home care packages are an annual tradition organized by Wawa Associates and supported by the USO of Pennsylvania and Southern New Jersey (Liberty USO) who together help send **more than 5,000 care packages to our troops currently deployed**. This Thursday, Nov. 7, Wawa associates will team up with the USO and National Guard to assemble more than 5,000 care packages to be sent to our troops abroad. In addition, The Wawa Foundation will present a check to the USO for \$969,000, funds raised through in-store coin and scan campaigns held at every Wawa store during the summer of 2019. The funds go to programs supporting the military and their families and are distributed to the local USO Chapters located throughout Wawa's operating area.

During the past two decades, Wawa has sent hundreds of thousands of cups of coffee and care packages to troops overseas who have written to request it. Partnering with the Liberty USO to formally send care packages to the troops is just one of the many ways Wawa shows support and thanks for the great men and women who serve our country.

About Wawa, Inc.

Wawa, Inc., a privately held company, began in 1803 as an iron foundry in New Jersey. Toward the end of the 19th Century, owner George Wood took an interest in dairy farming and the family began a small processing plant in Wawa, PA in 1902. The milk business was a huge success, due to its quality, cleanliness and "certified" process. As home delivery of milk declined in the early 1960s, Grahame Wood, George's grandson, opened the first Wawa Food Market in 1964 as an outlet for dairy products. Today, Wawa is your all day, every day stop for freshly prepared foods, beverages, coffee, fuel services and surcharge-free ATMs. A chain of more than 860 convenience retail stores (over 600 offering fuel), Wawa stores are located in Pennsylvania, New Jersey, Delaware, Maryland, Virginia, Florida and Washington, D.C. The stores offer a large fresh foodservice selection, including Wawa brands such as custom prepared hoagies, freshly-brewed coffee, hot breakfast sandwiches, specialty beverages and an assortment of soups, sides and snacks. In 2018, Wawa was recognized in Forbes as one of The Best Employers for New Grads and one of The Best Employers for Women, and as the Top-Rated Workplace for Veterans by Indeed. In 2019, Wawa was designated by Forbes as a Best Employer for Diversity.
