#### **About The Wawa Foundation’s Commitment to Address Key Issues**

The Wawa Foundation identifies “key issues” in need of focus and funding, while remaining open to other general requests. The key issues vary from time-to-time, with the most recent being its COVID Emergency Food Distribution Fund. Key issue grants have start/end dates, and generally range from \$1,000 to \$20,000, with some larger grants available. The Breast Cancer Awareness Fund earmarked \$200,000 available for funding requests. Breast cancer support and research has always been a key issue for The Wawa Foundation, and The Wawa Foundation Breast Cancer Awareness Fund is launching during Breast Cancer Awareness Month.
