### **About Wawa, Inc.**

*Wawa, Inc., a privately held company, began in 1803 as an iron foundry in New Jersey. Toward the end of the 19th Century, owner George Wood took an interest in dairy farming and the family began a small processing plant in Wawa, PA in 1902. The milk business was a huge success, due to its quality, cleanliness and "certified" process. As home delivery of milk declined in the early 1960's, Grahame Wood, George's grandson, opened the first Wawa Food Market in 1964 as an outlet for dairy products. Today, Wawa is your all day, every day stop for freshly prepared foods, beverages, coffee, fuel services, and surcharge-free ATMs. A chain of more than 780 convenience retail stores (over 590 offering gasoline), Wawa stores are located in Pennsylvania, New Jersey, Delaware, Maryland, Virginia and Florida. The stores offer a large fresh food service selection, including Wawa brands such as custom prepared hoagies, freshly-brewed coffee, hot breakfast sandwiches, Specialty Beverages, and an assortment of soups, sides and snacks. In 2016 and 2017 Wawa was recognized in Forbes as one of America's Best Large Employers, a survey-based ranking of employers offering the best associate experiences and strongest opportunities. In 2017 Wawa was the recipient of a Silver Plate Award in the category of Retail & Specialty Foodservice by the International Foodservice Manufacturers' Association during their 63<sup>rd</sup> Annual Award Event. Wawa was also designated as a 2017 Best Place to Work for LGBT Equality by the Human Rights Campaign Foundation.*
