

Wawa Offers FREE Coffee for all Healthcare Workers and First Responders

Wawa, PA (March 26, 2020) – To show appreciation for the incredible dedication and sacrifices they are making to support their communities, all Wawa stores are offering one FREE coffee of any size per visit to all healthcare workers and first responders during this crisis.

This offer is extended to doctors, nurses, hospital and medical staff, medical researchers, police officers, firefighters, and paramedics. These individuals can simply share with an associate at the register that they work in one of these fields to receive their free coffee.

“As the situation surrounding COVID-19 has evolved, our healthcare workers and first responders have been on the front lines every day working to keep us all safe. This is just a small gesture to show our thanks for all the sacrifices they’ve made for the good of their communities and neighbors,” said Chris Gheysens, Wawa President and CEO. “At Wawa, we have always been committed to serving our emergency responders. From the bottom of our hearts, we are grateful to every one of them for helping us through these challenging times, and we are here to support you in any way we can.”

Wawa remains committed to delivering our purpose of fulfilling lives every day, while continuing to monitor and make adjustments as needed.
