"It's always great to partner with our friends at 2SP to bring cheer to our local friends and neighbors with holiday-inspired beers, but this year is even more meaningful with the contribution made to Philabundance," said Mike Sherlock, Chief Product Marketing Officer, Wawa. We hope it gives Delco friends and neighbors a sense of pride knowing that this collaboration is helping our local community and also want to remind customers that they can continue the fight against hunger by visiting any Wawa store now through December 26 to donate funds to Check-Out Hunger which helps 28 food banks across our entire chain."

"This holiday season, we came together with our friends & Delco neighbors at Wawa to brew our boldest collaboration yet. In years of our Winter Reserve collaboration past we brewed approachable, 5% coffee stout. In 2021, we decided to make this Winter Reserve collaboration a 6.7% Mocha Latte Stout" said Bob Barrar, Head Brewer, 2SP Brewing Co. Each year we collaborate with Wawa, our goal is to brew something new & special for the region we call home. We hope the community enjoys it as much as we do."

Wawa, Inc.

Wawa, Inc., a privately held company, began in 1803 as an iron foundry in New Jersey. Toward the end of the 19th Century, owner George Wood took an interest in dairy farming and the family began a small processing plant in Wawa, PA in 1902. The milk business was a huge success, due to its quality, cleanliness and "certified" process. As home delivery of milk declined in the early 1960s, Grahame Wood, George's grandson, opened the first Wawa Food Market in 1964 as an outlet for dairy products. Today, Wawa is your all day, every day stop for freshly prepared foods, beverages, coffee, fuel services and surcharge-free ATMs. A chain of more than 860 convenience retail stores (over 600 offering fuel), Wawa stores are located in Pennsylvania, New Jersey, Delaware, Maryland, Virginia, Florida and Washington, D.C. The stores offer a large fresh foodservice selection, including Wawa brands such as custom prepared hoagies, freshly-brewed coffee, hot breakfast sandwiches, specialty beverages and an assortment of soups, sides and snacks.

2SP Brewing Company

The 2SP Brewing Company's mission is to bring world-class beers from world-class brewers to the region. Founded by Michael "Stigz" Stiglitz who hand selected his 2SP dream team, the brewery has a very specific mantra: **Pretentious? Never. Passionate? Always.** Head Brewer Bob Barrar is a Delaware County native and has won over 30 Great American Beer Fest Medals and 11 World Beer Cups. True to style: that's Delaware County and that's 2SP. In 2015 Bob Barrar, one of the most awarded brewers in the country, got together with a few unemployables and opened a brewery in Delco. Their goal was to get Bob's beers into the hands and lips of drinkers across the region. Now in their fifth year, they have been able to keep the lights on and get 2SP onto tap-lines and beer shelves across Southeastern Pennsylvania, Delaware, New Jersey, New York, and...Japan!
