About Wawa, Inc.

Wawa, Inc., a privately held company, began in 1803 as an iron foundry in New Jersey. Toward the end of the 19th Century, owner George Wood took an interest in dairy farming and the family began a small processing plant in Wawa, Pa, in 1902. The milk business was a huge success, due to its quality, cleanliness and "certified" process. As home delivery of milk declined in the early 1960's, Grahame Wood, George's grandson, opened the first Wawa Food Market in 1964 as an outlet for dairy products. Today, Wawa is your all day, every day stop for fresh, built-to-order foods, beverages, coffee, fuel services, and surcharge-free ATM's. All of Wawa's stores offer a large fresh food service selection, including Wawa brands such as built-to-order hoagies, freshly-brewed coffee, hot breakfast sandwiches, built-to-order Specialty Beverages, and an assortment of soups, sides and snacks. A chain of more than 635 convenience retail stores (over 365 offering gasoline), Wawa stores are located in Pennsylvania, New Jersey, Delaware, Maryland and Virginia and as of July of 2012, Central Florida. Wawa quickly became an integral part of the Central Florida Community, with over 30 stores throughout the Orlando and Tampa Markets, 100 stores in the pipeline for continued construction, the creation of close to 2,000 jobs, and the donation of more than \$200,000 in financial grants. The winner of the 2013 Beautification Award for District 1 in Orlando, Wawa is proud to be recognized for its continued commitment to enhancing the Orlando community environment through litter prevention, waste reduction and recycling, and beautification.
