About Wawa, Inc.

Wawa, Inc., a privately held company, began in 1803 as an iron foundry in New Jersey. Toward the end of the 19th Century, owner George Wood took an interest in dairy farming and the family began a small processing plant in Wawa, Pa, in 1902. The milk business was a huge success, due to its quality, cleanliness and "certified" process. As home delivery of milk declined in the early 1960's, Grahame Wood, George's grandson, opened the first Wawa Food Market in 1964 as an outlet for dairy products. Today, Wawa is your all day, everyday stop for fresh, built-to-order foods, beverages, coffee, fuel services, and surcharge-free ATMs. A chain of more than 600 convenience retail stores (more than 300 offering gasoline), Wawa stores are located in Pennsylvania, New Jersey, Delaware, Maryland and Virginia and Central Florida. The stores offer a large fresh food service selection, including Wawa brands such as built-to-order hoagies, freshly-brewed coffee, hot breakfast sandwiches, built-to-order hot, iced and frozen Specialty Beverages, and an assortment of soups, hot sides and snacks.
