SAN BRUNO, CALIF., -- The 2006 West Coast Conference Fall All-Academic teams honor some of the conference's best examples of the complete scholar-athlete. At the end of each athletic season, the WCC selects an all-academic squad for each of the participating sponsored sports. To be considered, a student-athlete must earn at least a 3.20 cumulative grade point average, while also being a significant contributor to his or her team.

"The task of selecting honorees from the long list of qualified student-athletes nominated by each institution is always a difficult one, and this season was no different" said WCC Commissioner Michael Gilleran. "I offer my congratulations to all of the student-athletes honored and nominated for exemplifying the WCC's commitment to excellence in both academics and athletics."
