**Gloria Nevarez,
WCC Commissioner**

Meet the Commish

The West Coast Conference Presidents' Council has selected Gloria Nevarez to serve as the fourth full-time Commissioner in the 66-year history of the West Coast Conference.

Nevarez, who started her post at the WCC in March of 2018, is one of 10 female conference commissioners serving in Division I Athletics and is the first Latin American woman to ascend to the commissioner's chair in Division I.

Nevarez joins the WCC after spending the last eight years with the Pac-12 where she served as the senior associate commissioner and senior woman administrator overseeing all Pac-12 championships with the exception of football. The Pac-12's primary liaison for men's basketball, Nevarez played a comprehensive role overseeing officiating, scheduling, television issues management, event management and the student-athlete experience.

While at the Pac-12, Nevarez played a key role in the creation and execution of league expansion, taking the Pac-12 membership from 10 schools to 12, and the launch and development of the Pac-12 Networks. In addition, Nevarez moved basketball championships to Las Vegas (men's) and Seattle (women's) and was instrumental in creating a six-conference men's basketball officiating consortium, which includes the Pac-12 and West Coast Conference.

A veteran athletics administrator with more than 25 years of experience in Division I, Nevarez has served on campus at Oklahoma (2007-10) as the Senior Woman Administrator, California (1999-01) where she served as the Assistant Athletic Director for Compliance and Legal and at San Jose State (1998-99) as the first full-time director of compliance. Her initial foray into conference work was at the WCC (2002-07) where she served as the Associate Commissioner and Senior Women's Administrator.

PRESENTING THE RUSSELL RULE WEST COAST CONFERENCE DIVERSITY HIRING COMMITMENT

SAN BRUNO, Calif. – The West Coast Conference is proud to announce the adoption of the “**Russell Rule**” as the first conference-wide diversity hiring commitment in Division I. The “Russell Rule” is named in honor of WCC and NBA legend Bill Russell and is the main part of a groundbreaking series of initiatives implemented under the “We are Committed to Change” platform.

The “Russell Rule” requires each member institution to include a member of a traditionally underrepresented community in the pool of final candidates for every athletic director, senior administrator, head coach and full-time assistant coach position in the athletic department.

The WCC has partnered with human rights activist and pioneer for racial equality, Dr. Richard Lapchick, the founder and Director of The Institute for Diversity and Ethics in Sport (TIDES), to develop an annual race and gender report card on for each WCC institution and the Conference office.

Russell, an 11-time NBA Champion, a two-time NCAA Champion and a Presidential Medal of Freedom recipient as a life-long advocate for social justice, embraced the opportunity to promote equitable opportunities in college athletics.

“It is my hope the West Coast Conference initiative will encourage other leagues and schools to make similar commitments,” Russell stated. “We need to be intentional if we’re going to make real change for people of color in leadership positions in college athletics. I’m proud to assist the WCC and Commissioner Nevarez by endorsing this most important initiative.”

“The Russell Rule is the result of the groundbreaking work of the WCC Presidents’ Council and Equity, Diversity and Inclusion Committee,” Nevarez said. “Bill Russell is the greatest basketball player and social justice advocate the nation has seen. He is a champion for change.”

It is our belief the WCC ‘Russell Rule’ will live up to his legacy. Our goal is that the diversity of our student-athletes is reflected in those that lead and mentor them and provides a holistic and inclusive education during their time at WCC institutions.

The “Russell Rule” is part of several significant initiatives associated with the “We are Committed to Change” platform that received unanimous support from the WCC Presidents’ Council. The initiatives were implemented in August, 2020.

WE ARE COMMITTED TO CHANGE PLAN PLATFORM

DIVERSITY HIRING COMMITMENT: The “Russell Rule” is the first conference-wide diversity hiring commitment in Division I.

EDUCATION: Conference-wide series of antiracism educational webinars for coaches, administrators and student-athletes on June 29, 2020. Participants included more than 500 student-athletes and more than 400 coaches and administrators.

POLICY MAKING: The Equity, Diversity and Inclusion Committee (EDI), formed in 2019, will be expanded with representation from all 10 institutions. This group will feature a student-athlete subcommittee with representatives from each member.

CIVIC ENGAGEMENT: A Civic Engagement Pledge to facilitate annual voter education and registration for student-athletes.
