WCC in the MLB Draft

In 2022, 20 WCC student-athletes were selected in the MLB Draft, representing six programs. The WCC boasts at least one draftee in the first two rounds in eight of the last nine MLB Drafts, entering the 2023 campaign. The only exception was the shortened 2020 draft.

Of the 20 WCC student-athletes chosen in the 2022 MLB Draft, six WCC programs had at least two draft selections and five had at least three chosen. BYU, Gonzaga and San Diego led the way with four selections apiece.

WCC In the College World Series / NCAAs

The WCC has been represented four times at the College World Series since the event began in 1947. Santa Clara was the first league squad to play for the NCAA title in Omaha, as the Broncos rebounded from a loss in their first game to reel off four straight wins and reach the 1962 championship game. Santa Clara, who was led by the CWS Most Outstanding Player in pitcher Bob Garibaldi, played three extra inning contests in the College World Series including a 15-inning loss to Michigan in the title game. Pepperdine made its first College World Series appearance in 1979, finishing in third place by winning three straight games before falling in the semifinals. The WCC enjoyed some of its greatest baseball success in the late 1980's and early 1990's, and LMU began the period with its first College World Series appearance in 1986. Led by several future Major Leaguers, the Lions achieved a No. 1 national ranking on April 22 of that season and went on to represent the WCC at Rosenblatt Stadium. Pepperdine capped off the era with the conference's first-ever national championship in baseball, claiming the College World Series title in 1992. The Waves reeled off four straight victories in Omaha, including a 3-2 triumph over Cal State Fullerton in the championship game.
