

Automated Account Notifications
Customer Portal May 2019

New Features!!

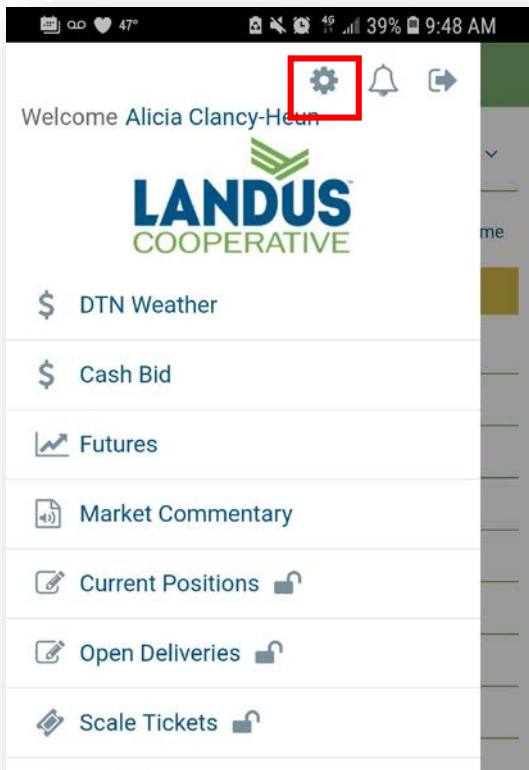

Effective May 3, receive a notification reminder when your grain delivery is due in three days!

Manage your preferences to receive via text, app notification or online.

Automated Account Notifications

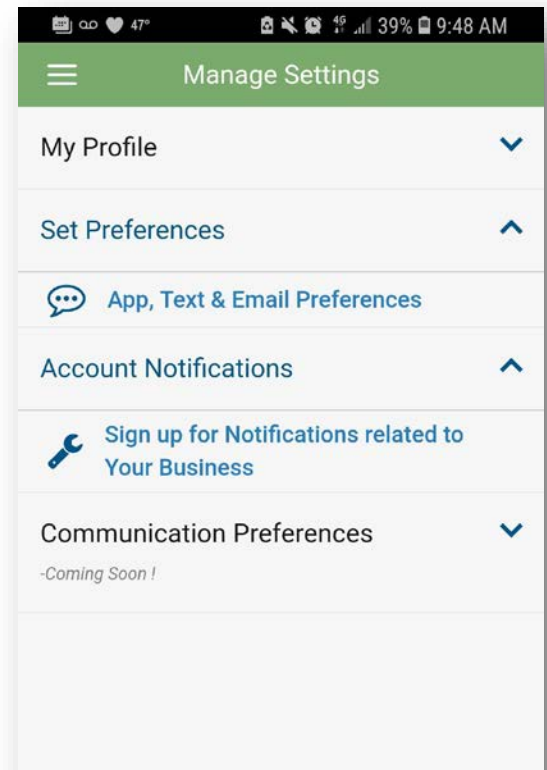

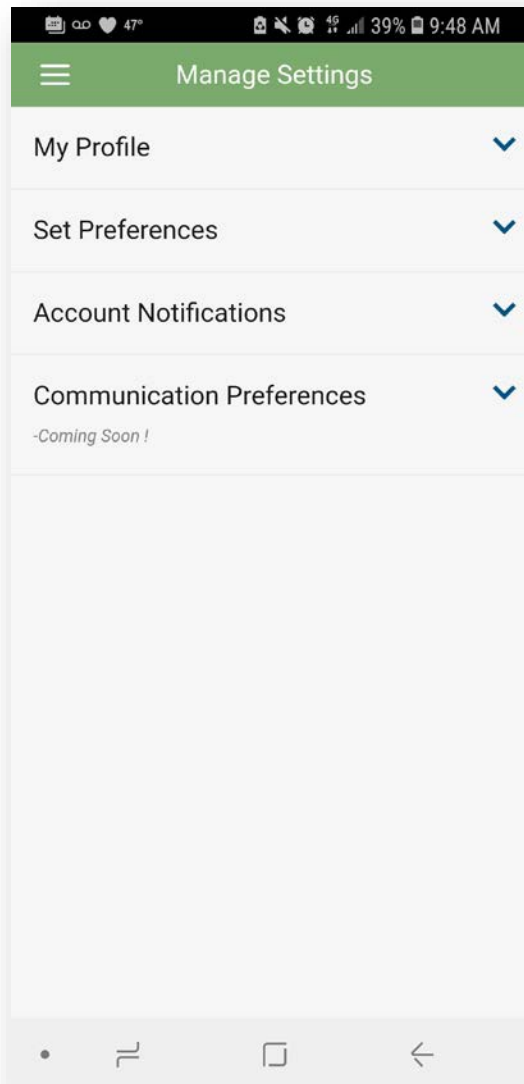

- Delivery Due
 - **Only** managed in the portal/app
 - Only available to customers using the portal/app
 - Customer must manage preferences themselves
 - Landus Cooperative employees cannot edit these preferences today

Managing Preferences in the App

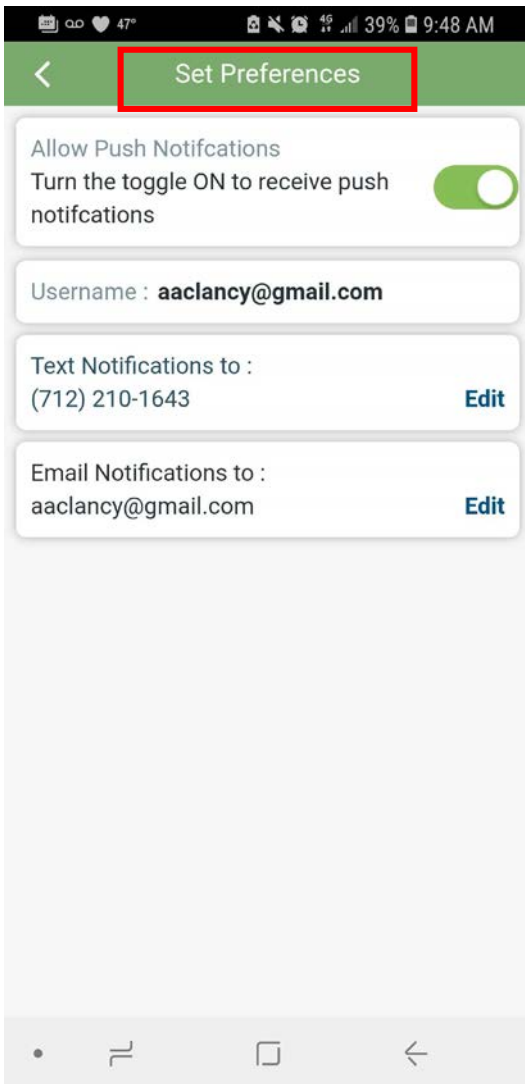

1) Open App & Log-In
(click on the “locks”
and enter
username/password)

2) Select “Gear”

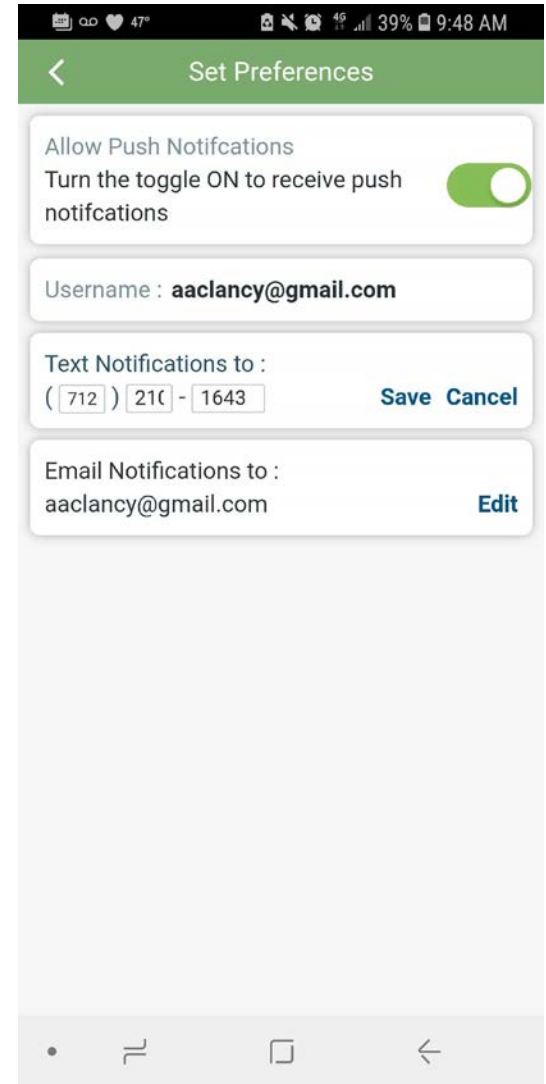

3) Open “Set
Preferences” or “Account
Notifications” to make
edits

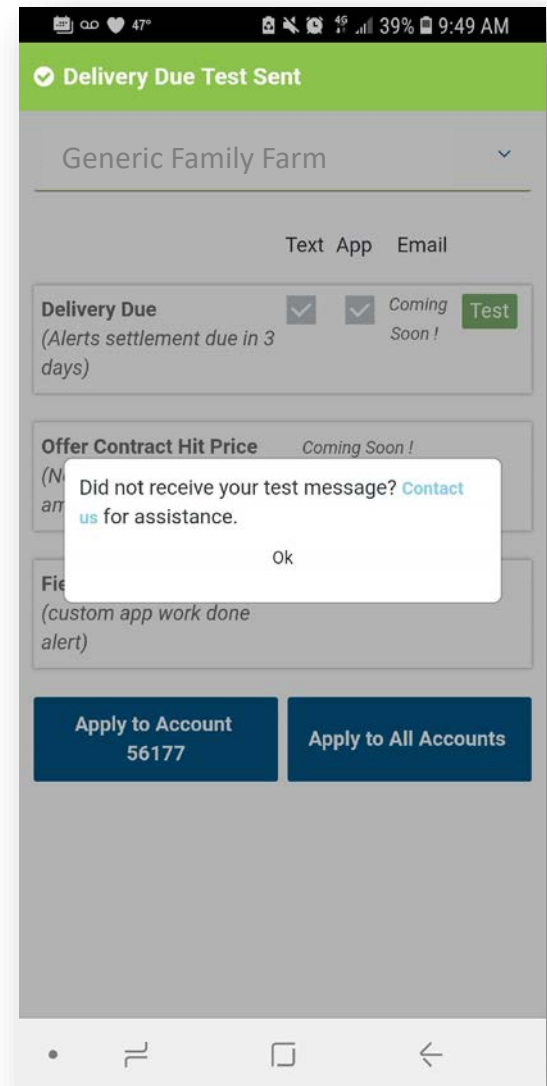

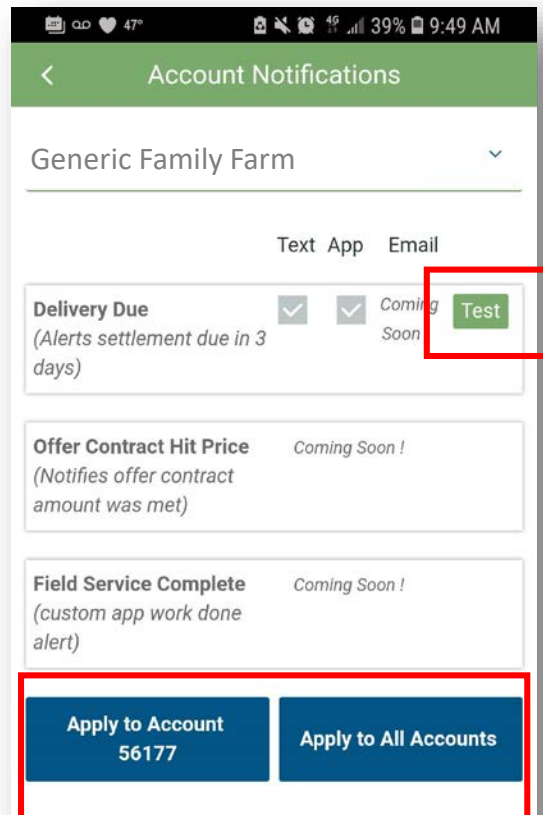

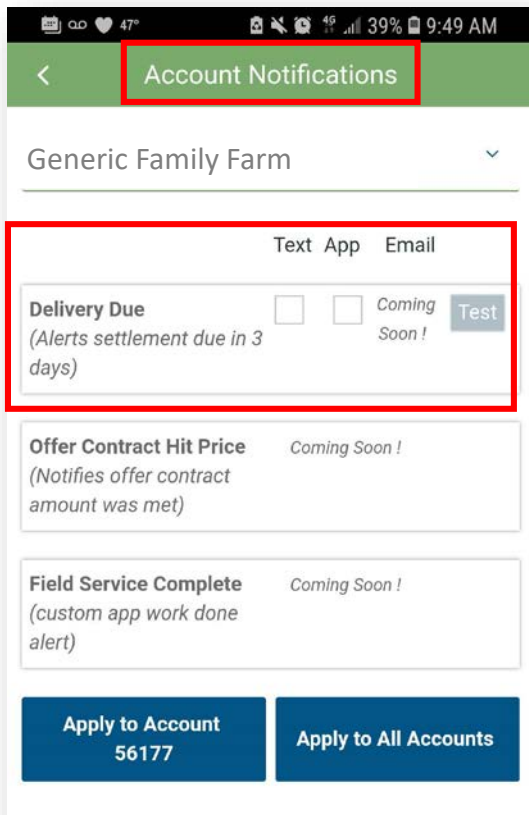

Use this page to edit the **PHONE NUMBER** or **EMAIL** to which you'll receive notifications.

This **DOES NOT** change your username.

We recommend another **USER/PERSON** to create their own log-in to the site vs. adding another person's contact info here due to future ability to transact online.

- 1) To edit types of notifications, open “Account Notifications”
- 2) Select how you want to receive which type of notification

- 3) You can set the same preferences for all accounts you have under your username
- 4) You can test your settings

Managing Preferences in the Portal (Web)

Add A New Account

The screenshot displays the 'My Profile' page of the Landus Cooperative Customer Portal. The page is divided into three main sections: 'My Profile', 'Your Accounts', and 'Reset Password'. The 'My Profile' section contains fields for Username, First Name, Last Name, Middle Name/Initial, Suffix, and Mobile Number, with a 'Change' button. The 'Your Accounts' section lists ten 'Generic Customer' accounts with their respective IDs. The 'Reset Password' section includes fields for 'New Password' and 'Confirm Password', with an 'Update Password' button. A red box highlights the 'Add Account' button in the top right corner of the 'Your Accounts' section.
