- 2) Click on play button to listen from the webpage, or download to your computer

The screenshot displays the podcast player interface for "The Landus Cooperative Experience Podcast". At the top, the RSS feed URL is shown: <https://landuscooperativeexperience.podbean.com/feed.xml>. The main episode featured is "Bull Bear Banter: September 20, 2018", dated September 24, 2018, with a description: "Pudenz and Dunham digest the noise in the market place." The player shows a play button (circled in red), a progress bar at 0:01 / -18:06, and a download button (circled in red). Below this, there are "Like", "Share", and "Download" options. A second episode, "Bull Bear Banter: September 27, 2018", dated September 28, 2018, is partially visible below, with a description: "Combines continue to roll this week as trade talks shift gears to focus on Japan. Tune in as hosts Pudenz and Dunham address the grain market action while waiting for the Stocks report on Friday (9/28)."
