

FLEET PURCHASING PROGRAM

Did you know as a Landus Cooperative member you may be eligible for a significant saving on your next new truck purchase?

By leveraging the buying power of the Land O'Lakes system, Landus Cooperative can offer co-op members a great savings opportunity on your next truck. With over 4,000 members using the Land O'Lakes Local Co-op Truck Purchasing Program each year, Land O'Lakes has saved producers and members over \$76 million in manufacturers' volume discounts in the past three years, averaging over \$5,500 per vehicle. This includes discount programs on General Motors, Ford, and Chrysler light duty vehicles.

BENEFITS

- Freedom to choose from Ford, General Motors or FCA/Ram lines
- Average savings between \$5,700 and \$11,000
- No tax on rebate dollars and tax deduction savings
- Rebate dollars are taken off by manufacturer before tax
- See Section 179 tax deduction information: <http://www.section179.org>
- Transferable powertrain coverage to 5 years/100,000 miles
- Additional 40,000 miles of powertrain warranty coverage
- Trade-ins welcome

PICK YOUR DEALER

- Any local Ford, General Motors, or FCA/Ram dealer can use the program. Ask for the Fleet Manager and mention you want to use the Land O'Lakes Fleet Program.

OR

- Order through our authorized central order dealer, Saxon Fleet, at 1-800-456-1265 (mention you want to use the Land O'Lakes Fleet program). Vehicles are delivered to your local dealer for you to pick up.

WHAT YOU NEED TO DO

- Have a copy of your past year's equity statement*
- Title vehicle in your business name. If you use your personal name for your business, you will also need to provide a copy of your Schedule F tax form
- Keep the vehicle for 12 months

* equity statement available on your Landus Cooperative customer portal
