Welcome to the 122nd Kentucky State Fair, a time when families from across our commonwealth and beyond come together to celebrate our culture, our values and our amazing farmers. This year's theme, "Where County Traditions Meet Our Country's Celebration," showcases Kentucky's unique stories and traditions while commemorating the America250 celebration. With 69,100 farms spanning 12.4 million acres across our commonwealth, Kentucky's agricultural roots run deep, and there's no better place in the country than right here at the Kentucky State Fair to experience great-tasting food, music, horse shows and fun we've all come to love.

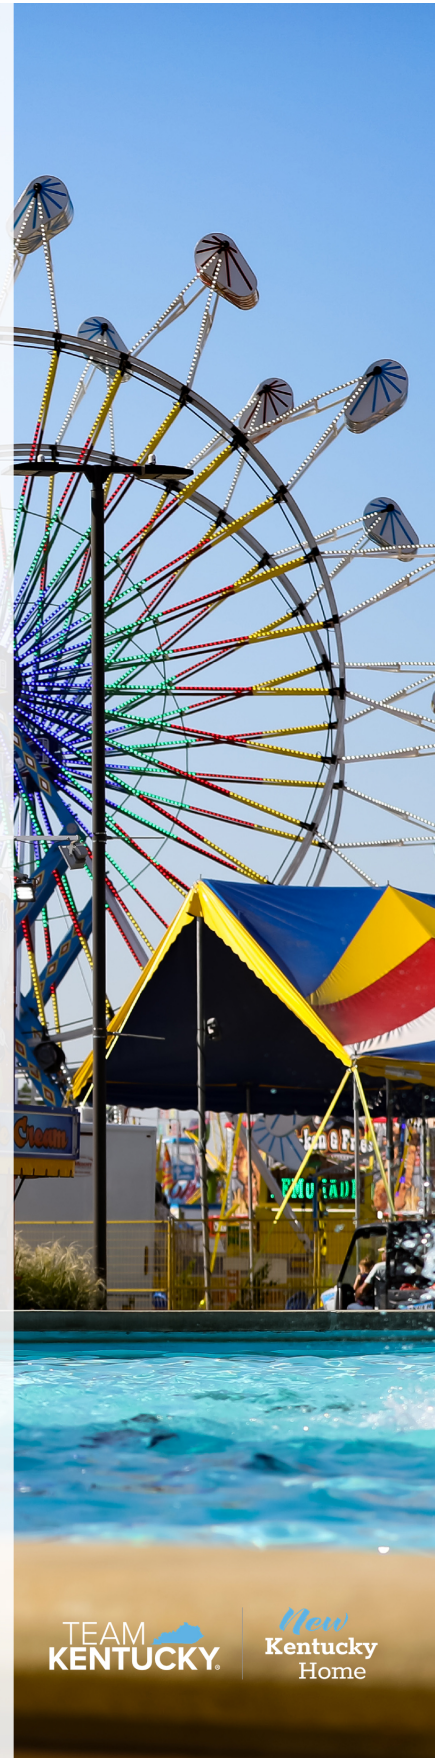

Each August, tens of thousands of families and visitors flock to the fairgrounds for this 11-day event, contributing to our thriving economy and tourism industry, which just celebrated three record-breaking years. In 2024, Kentucky tourism generated \$14.3 billion in economic impact, supported 97,394 jobs, and welcomed 80 million visitors who spent \$10.1 billion across the commonwealth. Last year's state fair was a big success, with more than 33,400 entries, continuing a decade-long trend of strong participation. The fair featured 16,706 general exhibits, with almost 1,500 from first-time exhibitors, while livestock competitions saw 6,014 entries. Our youth leaders also showed up, with 9,185 entries from 4-H and FFA members. This momentum sets the stage for another memorable year at the Kentucky State Fair.

Just as important is the support this event provides to our agriculture industry, which is essential to our state and heritage. Together, we can celebrate our fellow Kentuckians who provide the food we eat, keep us healthy and help our economy thrive.

No matter how far you've traveled, exploring the Kentucky State Fair is the perfect way to enjoy our New Kentucky Home. I encourage you to experience all the fair has to offer, from livestock exhibits to rides to one-of-a-kind food, and have a lot of fun.

Sincerely,

Governor Andy Beshear
63rd Governor of the Commonwealth of Kentucky

A MESSAGE FROM KENTUCKY COMMISSIONER OF AGRICULTURE **JONATHAN SHELL**

Welcome horse owners, trainers, riders, and enthusiasts to the World Championship Horse Show!

As Kentucky Commissioner of Agriculture, I have the honor of welcoming you to the Horse Capital of the World, a state synonymous with horses. With its historic and world-renowned racing facilities and landscapes dotted with beautiful horse farms, you can't think about the Bluegrass state without thinking about the majestic horses that grace our fields.

The ultimate show horse, the American Saddlebred, is the perfect combination of beauty and athleticism. With high-stepping elegance and the grace of its riders, the horse puts on a display like no other.

The World's Championship Horse Show, now celebrating its 123rd year, is the world's richest and most prestigious horse show where more than 2,000 horses compete each year for prizes worth more than \$1.5 million. It's the place where this breed and Kentucky's equine history come together for a top-notch experience.

For well over a century, Kentucky has been home to this show and Louisville has hosted it since 1906, when the Kentucky State Fair found its permanent site in Louisville. Louisville has a deep history with the breed due to the city being central to the prominent Saddlebred

breeding programs in Kentucky, Missouri, and Tennessee and where the registry was located. That history deepens each year when the eight-day show coincides with the Kentucky State Fair in August, helping to contribute to the fair's annual economic impact.

The World Championship Horse Show's deep roots in Kentucky help solidify the equine industry's importance for the state. Kentucky is home to more than 209,000 horses. The equine industry's impact on the state's economy amounts to more than \$6.5 billion each year, while also providing more than 60,000 jobs.

Horses also have deep roots in American culture often symbolizing freedom because of their movement and independence. As we celebrate this world class show, we also celebrate 250 years since the signing of the Declaration of Independence. The two seemingly go hand in hand.

I hope you have a great show and a fantastic visit to our old Kentucky home.

Sincerely,

Jonathan Shell
Kentucky Commissioner of Agriculture

3. Exhibitors' gate admission tickets may be purchased by Horse Show exhibitors at the Horse Show Office, and for all other exhibitors at the Entry Department. 5. Every animal or article in competition will be under the supervision of the Superintendent of the department in which it is entered, but the Kentucky State Fair Board and Management will not be responsible for any loss or damage that may occur.
6. Exhibits that have been mistakenly entered into a class may be transferred to the proper class before judging at the discretion of the Superintendent. If such classes already have been judged, they will not be reopened.
7. The Superintendent of each department must check entries listed under each class in the entry book against each exhibit presented. At the time of judging, he or she shall mark the entry book to show which animals or articles were passed on by the judge.
8. Judging books shall be signed in ink. Entries that were not shown should be so designated. Superintendents are responsible for these requirements.

PLACING OF ENTRIES

1. The Kentucky Exposition Center will be open to receive livestock and articles for exhibition at dates and times specified in departmental rules. No livestock or articles may be brought into the Kentucky Exposition Center and placed on exhibit except by and at the expense of the owner or his/her authorized agent.

RELEASES

1. Exhibitors shall obtain signed releases from the Superintendent of their department.
2. See departmental rules for times of release. No animals or articles will be released before the published release date and time.

NATIONAL CODE OF SHOW RING ETHICS

Exhibitors of animals at livestock shows shall always conduct themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to junior as well as open class exhibitors who compete in structured competition classes. This code applies to all livestock offered in any event at a livestock show.

All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers, and responsible persons who violate the code of ethics will forfeit premiums, awards, and auction proceeds and shall be prohibited from future exhibitions in accordance with the rules adopted by the Kentucky State Fair. Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada.

The following is a list of guidelines for all exhibitors and all livestock in competitive events:

1. All exhibitors shall present at the request of fair and livestock show officials, proof of ownership, length of ownership, and age of all animals entered. Misrepresentation of ownership, age, or any facts relating thereto is prohibited.
2. Owners, exhibitors, fitters, trainers, or responsible persons shall provide animal health certificates from licensed veterinarians upon request by fair or livestock show officials.
3. Junior exhibitors are expected to care for and groom their animals while at fairs or livestock shows.
4. Animals shall be presented to show events where they will enter the food chain free of violative drug residues. The act of entering an animal in a livestock show is the giving of consent by the owner, exhibitor, fitter, trainer, and/or person responsible for show management to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. Animals not entered in an event that culminates with the animal entering the food chain shall not be administered drugs other than in accordance with applicable federal, state, and provincial statutes, regulations, and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal, state, and provincial statutes, regulations, and rules affect the animal's performance or appearance at the event. If the laboratory report on the analysis of saliva, urine, blood, or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence that such substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood, or other substance tested by the laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved, and all procedure of said collection and preservation, transfer to the laboratory, and analysis of the sample are correct and accurate, and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to prove otherwise. At any time after an animal arrives on the fair or livestock show premises, all treatments involving the use of drugs and/or medications for the sole purpose of protecting the health of the animal shall be administered by a licensed veterinarian.
5. Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or similar substance) that could affect the animal's performance or alter its natural contour, confirmation, or appearance, except external applications of substances to the hoofs or horns of animals, which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.
6. The use of showing and/or handling practices or devices, such as striking animals to cause swelling, using electrical contrivance, or other similar practice is not acceptable and is prohibited.
7. Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited. In the furtherance of their official duty, all judges, fair and livestock show management, or other show officials shall be treated with courtesy, cooperation, and respect, and no person shall direct abusive or threatening conduct toward them.

8. No owner, exhibitor, fitter, trainer, or responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violation of this rule shall subject such an individual to disciplinary action.
9. The application of this code of ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter, trainer, or participant whether he or she was instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics.
10. The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer, or responsible person to have disciplinary action taken by the fair or livestock show for violation of this Code of Show Ring Ethics and any other rules of competition of the fair or livestock show without recourse against the fair or livestock show. The act of entering an animal is the giving of consent that any proceedings or disciplinary action taken by the fair or livestock show may be published with the name of the violator or violators in any publication of the International Association of Fairs and Expositions, including Fairs and Expositions and any special notices to members.
11. The act of entering an animal in a fair or livestock show is the giving of verification by the owner, exhibitor, fitter, trainer, or responsible person that he or she has read the IAFE National Code of Show Ring Ethics and understands the consequences of and penalties provided for actions prohibited by the code. It is further a consent that any action which contravenes these rules and is also in violation of federal, state, or provincial statutes, regulations, or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.

WHAT YOU NEED

- A free account at HorseShowsOnline. If you do not already have an account, you may create one when you click the continue button. HorseShowsOnline basic member is FREE.
- A record in your account for each person and horse that you will use on show entry forms when you enter a show.

HOW TO GET STARTED

- Log in to HorseShowsOnline by clicking the "Member Services" tab in the main menu or click the Login button at the top of the home page.
- Once you are logged in, click the "My Horses, People, Shows" button in the member menu.
- On the People, Horses, Shows page, add any new people and horses to your account as required on the

appropriate tab (i.e., My People, My Horses). People and horses are saved with your account. Once you have those records in your account, you may use them at every show you enter.

- Click the “Enter show” button to select the show you want to enter and follow the steps in the online entry wizard.

STEPS TO ENTER A SHOW

- Select the show you want to enter from your “My People, Horses, Shows” page on the “My Show Entries” tab, or find the show you want to enter in ‘Show Selector” and click the Online Entry icon. This will start the online entry wizard. Make sure you have already created the horses and people in your member account.
- The online entry wizard will guide you through the steps to complete the entry form. The basic steps in the wizard are:
 1. Select the horse, people, and riders for your entry.
 2. Select the classes each rider is entered in.
 3. Select the quantity for stalls and other fees.

TIPS

You may cancel the entry part way through the wizard and resume the entry later. For example, you may need to add more people to your account, or you may just want to come back and complete the entry later. Unfinished entry forms are listed in your “My entries” tab and will allow you to edit the entry.

The people and horses you create in your account are saved permanently and may be used in other shows you enter. You only need to add people and horses at once, and then they can be re-used.

The Kentucky State Fair reserves the right to decline or accept any entry or entries, and to return or decline refunds of any fees.

False representation of eligibility or information will cause disqualification and may result in you or your horse not being allowed to show in the 2027 Kentucky State Fair World's Championship Horse Show.

The Kentucky State Fair may also prohibit any person from attending or showing a horse in the ring and remove any owner, stable employee, or horse from the ring or grounds without liability of any kind.

Every effort will be made to maintain a working public address system to carry class calls. Due to the schedule and time, a request for a hold between classes cannot be made

Any exhibitor, rider, or driver who refuses to obey the request of the judge, ringmaster, or manager automatically

Individuals wishing to leave shall load before and after the show in the morning/afternoon session and the night session. You will not be allowed to load your equipment and horses during the show, as a courtesy to the people still showing.

KENTUCKY STATE FAIR WORLD'S CHAMPIONSHIP HORSE SHOW 2026 QUALIFYING REQUIREMENTS FOR PLEASURE (SHOW & COUNTRY) AND PARK

Any competition that has not previously been listed on the database shall record at least one (1) month prior to the competition dates to be a qualifying competition for the World's Championship Horse Show. The prize list and/or schedule must be submitted one (1) month prior to the first date of the show, either electronically or physically.

1. All horses shall qualify to compete in the American Saddlebred Show Pleasure, American Saddlebred Country Pleasure, and American Saddlebred Park Divisions of the 2026 Kentucky State Fair World's Championship Horse Show.

Horses will be entered in these Divisions only if they have been shown in a minimum of six (6) classes, in three (3) or more different competitions, (not including the 2025 World's Championship Horse Show) in the same Divisions in which they wish to compete at the 2026 World's Championship Horse Show, either under saddle or in harness, beginning July 1, 2025, through June 30, 2026. At the 2026 World's Championship Horse Show, the same horse may not enter and/or compete in the Junior Exhibitor and the Adult class, nor may it enter and/or compete in "under saddle, driving, western, and hunter" or in more than one age division.

Horses that are to be shown in Pleasure Driving will be required to qualify by showing in six (6) classes at three (3) shows in Pleasure Driving. If the Driving class at a show does not specify whether it is Show or Country Pleasure, the class will still count, but four (4) of the six (6) classes for qualification must be in either Show or Country Pleasure. Park Pleasure driving, and Open Pleasure driving classes will not be considered as qualifying classes.

Classes and points earned in a division, such as Three-Gaited Show Pleasure, cannot be applied to another division, such as Five-Gaited Show Pleasure, nor can classes and points in Western Country Pleasure, Saddle seat Three-Gaited Country Pleasure, or Hunter Country Pleasure be applied to any other Country Pleasure division. This does not affect or change the rule that a horse can show in juvenile, adult, novice, or local, or limit classes in a division for the points and classes to count toward qualification.

Also for purposes of qualification, a horse in the Show Pleasure or Country Pleasure Divisions cannot be shown by its trainer on behalf of the owner of the horse, nor may a horse be shown by any adult family member of the trainer of the horse (provided, however, that this does not preclude a family member of a trainer from showing a horse if the horse is owned by the trainer or by such family member).

For purposes of potential Show Pleasure, Country Pleasure, and Park qualifying for the 2026 Kentucky State Fair, points will not be accumulated at the Kentucky State Fair by horses competing in the 2025 Kentucky State Fair; performances at the 2025 Kentucky State Fair will be excluded from potential qualifying point totals for the 2026 competition.

Effective for the 2026 World's Championship Horse Show, any class added to a show's schedule after the prize list, class sheet, or class schedule has been printed and/or posted on the show's website, Facebook

page, etc. will not count as a qualifying class for Kentucky State Fair’s World’s Championship Horse Show. Classes denoted as “buy a class” or “TBA” are considered added classes and therefore will not be counted. Classes that are added during the week that a horse show is scheduled to be held do not count as qualifying.

2. Qualifying information for the American Saddlebred Show Pleasure, Country Pleasure, and Park Division is on page 25-27 of the 2026 Horse Show Premium Book.
3. Each qualifying class in the American Saddlebred Show Pleasure Horse Division, the American Saddlebred Country Pleasure Horse Division, and the American Saddlebred Three-Gaited Park Division has a maximum number of qualified entrants that will be permitted to compete in each class.

For the 2026 competition, the maximum number of qualified entrants for each qualifying class is as follows:

Description	Maximum #
Adult Three-Gaited Show Pleasure	60
Junior Exhibitor Three-Gaited Show Pleasure, Rider 14—17 Years Old	36

Hunter Country Pleasure	20
Open Park	40

Amateur Park	40
Junior Exhibitor Walk/Trot Show Pleasure, Rider 12 Years Old & Under	16

4. In the event that the total number of entrants received for any qualifying class does not exceed the maximum numbers listed in #3 above, all entrants will be permitted to compete at the 2026 World’s Championship Horse Show.
5. As in prior years, Championship classes at the 2026 Horse Show will be limited to competitors who have received a ribbon in a qualifying class at the 2026 Horse Show. In the case of a split of a qualifying class, the policy for divided classes explained on page 22 of the prize list will be applied.
6. In the event that the total number of qualified entrants received for any qualifying class exceeds the maximum numbers listed in #3 above by five (5) horses or less, the Kentucky State Fair reserves the right to permit all qualified entrants to compete in a qualifying class, but if the number entered exceeds the maximum number by more than five (5), the number of entries will be reduced to the original maximum number (e.g., if there are 66 entries in Adult Show Pleasure, only 60 will be allowed to show). The horses that will be eligible to compete in such qualifying class will be chosen based on a point system tabulated.
 - Show Pleasure, Country Pleasure, and Park horses must have “qualified” as described in #1 above six (6) classes, at three (3) shows, in the same Division.
 - **Effective 2015**, qualifying (i.e., six (6) classes at three (3) shows) is no longer required for Junior Park and Junior Park Pleasure horses.
 - All American Saddlebred horses competing in any competition listed on the database, regardless of whether such competition is a licensed competition, will be eligible for consideration. For non-licensed competition to be listed on the database, a representative of that competition shall notify the dates, location, and contact information for the person in the competition at least one month before the competition is to be held. The secretary or the manager of said competition is responsible for sending in the results within ten (10) days after the competition and by the closing date of the qualifying period. 2026 TROPHY POLICY

Perpetual and challenge trophies will remain with the horse show, as they will no longer be checked out to the exhibitor for a year.

STALL ENTRY LIMITATIONS

Stabling capacity at the Kentucky State Fair World's Championship Horse Show has reached its limit over the past several years. No additional temporary stabling can be built beyond the capacity of previous years. Therefore, while it is extremely unlikely, it is conceivable that an insufficiency in stabling capacity and/or consequent available time in the schedule may result in Management determining that a division or section of the Kentucky State Fair World's Championship Horse Show is deemed to be overfilled. If Management deems that any division or section is overfilled, the Kentucky State Fair World's Championship Horse Show reserves to itself the right to determine the number of entries in that division or section, based on winnings in the qualifying period of July 1, 2025, to June 30, 2026.

If qualifying standards are invoked by the management of the Kentucky State Fair World's Championship Horse Show, and if the number of horses competing in Recognized Competitions is insufficient to fill all space and stabling is available, all other horses entered (those horses having no points) will be placed in a separate pool. If necessary, a lottery drawing will then be conducted from this pool to determine the entries to be accepted. The number of horses to be selected by means of this drawing will be determined at the time of any decision to refuse entries. Whether a division or section is overfilled and the extent to which it is overfilled, shall be determined at the sole discretion of the Kentucky State Fair World's Championship Horse Show.

In the event of a tie in total points affecting the standard required for entry acceptance, a drawing will be held among all those with identical points to determine which entries will be accepted and/or refused.

All Horse Stalls: \$250.00

WCHS Classes

Entries in all WCHS classes must be entered on the Kentucky State Fair entry blank.

All weanlings must be blood typed or DNA tested prior to showing and pending/conditional registrations must be completed.

Class Procedures for Showing In-Hand Entries:

Entries will enter the ring one at a time showing at a trot, to be led down the right-hand rail to the other end of the ring and return to the judges at a trot and then be judged standing on conformation. On the return lead, entries are permitted to trot past the judges to the end of the ring, if so desired, and then return to the judges. Entry will then be led to the opposite rail at a walk, out of the way of subsequent entries. If judged on conformation a second time, entries must again be led at a walk and trot. Entries are not to be judged lunging. A diagram will be posted in the horse show office. A second workout in a large class is strongly encouraged at the judges' discretion.

Conformation and finish count 50% of the total score. All entries shall be judged according to the standards for the ideal American Saddlebred type and conformation. Undesirable traits shall be penalized.

If a final is held, the Weanlings will be the first class on Monday Night, and the Yearlings will be the first class on Tuesday Night.

Performance Classes

If WCHS Classes are not split, they will be held as the original class. If split, the Final will be held as listed.
